2016 REACH REPORT

"I'm happy to get the opportunity to fulfill my dreams like I want to."

~ Tabitha Darnell, athlete

"My daughter continues to practice some of the activities she learned at Play Day in her daily playtime. She loves to dance. When she is out in the driveway playing I watch her walking along the seam of the concrete, just like it's a balance beam! And there is no ball that she won't try to kick, throw, hit with a bat, or try to make a basket with. Who knows what's next: gymnastics, dance and little league? She is fearless, and now her mom knows that there are no limits to her capabilities."

~ Julie Berns, parent

"Special Olympics gives me the opportunity to be social and stay in shape and spend time with my team of friends and make new ones. It also gives me the opportunity to be competitive."

~ Bobby Johnson, athlete
