

Walkway

The Walkway of Champions is a tribute to the proud supporters and athletes who make Special Olympics possible. It is located at the Special Olympics Iowa state headquarters in Grimes, and is designed like an Olympic Medallion and ribbon that Special Olympics athletes are proud to wear.

Inside the ribbon is the Tom Dunphy Memorial

Garden which contains the cauldron used in the first ever 2006 USA National Games held in Ames.

The Walkway of Champions offers you the opportunity to purchase a brick or granite paver (three sizes) which will be placed within the brick ribbon. Purchasing a paver allows you to create a lasting memory for your family, or honor an

athlete, coach, volunteer, teacher or friend. Your name, or that of someone you wish to recognize, engraved on one of our brick or granite pavers will signify for years to come that you care about helping people with intellectual disabilities and their families.

YES, I/we wish to purchase an engraved brick or paver in the Special Olympics Iowa Walkway of Champions.
