Communicate your team goal

"Being able to go Over the Edge and raise awareness for Special Olympics was amazing, and I am so glad I got to be a part of this experience." - Pastor Dan Kuckuck, 2014 Toss Your Boss Participant

Make a "towering" impact

The fear of heights is one of the most common phobias in the world... but why let that stop you? Over the Edge is a unique opportunity for individuals and organizations to raise money and support SOIA athletes by rappelling off the 345-ft Financial Center in downtown Des Moines! In 2017, sponsors and participants of Over the Edge raised more than \$70,000 for Iowa athletes, giving them opportunities to participate in year-round sports, health and educational programming - and most importantly - experience joy, pride and respect.

Share the Dare

The whole event is an experience you'll never forget, and one you'll want to share with others! Help us recruit rappellers or find another way for everyone to be involved:
