Average Team ability level _____
(rate each players ability level and divide by number of players)

- (1)= limited accuracy in passing and shooting, travels with ball, slow to react, needs significant prompting from coaches or players
- (2)=sometimes makes a pass or shot, takes a few steps with ball, below average speed, limited knowledge of game, can play a fixed position, plays for fun
- (3)=average skills in passing and shooting, can keep up with pace of game, average understanding of game, runs general plays
- (4)=good passing and shooting ability, good understanding of the game, has quickness and speed, makes other player change strategy
- (5)=great passing and shooting ability, understands the game, extremely athletic and quick, implements strategies, can run complicated plays
