About Over the Edge

Event Overview

Looking for an adventure of a lifetime that will also change the world for the better? This September, join dozens of fellow thrill-seekers as they go over the edge of an 27-story building—all to improve the lives of people with intellectual disabilities and their families. The Special Olympics movement transforms communities by inspiring people to open their minds, to accept and include people with intellectual disabilities, celebrating differences among all people...recognizing and respecting the similarities we all share.

On Tuesday, September 11, 2018 Special Olympics Iowa will host one of Des Moines' most exhilarating fund raising events of all time: the Seventh Annual **Over the Edge** for Special Olympics—an exclusive 345 foot rappel down the Financial Center building in downtown Des Moines. Each individual will need to raise \$1,000 to participate. All proceeds will go to benefit Special Olympics Iowa athletes and year-round, statewide sports programs. Special Olympics Iowa has an exclusive contract with Over the Edge.
