August 9, 2017 Lunch Meeting 11am-2pm- Face to face in Grimes State Office. Goals for the year.

#3. Goals for the Committee this year.

- a. Tanner Nissen has taken on the role of developing the Survey Monkey and the Committee will evaluate and discuss the results of those surveys.
- b. Committee will evaluate the paperwork procedures in SOIA.
- c. Committee will evaluate the communication lines in SOIA including the website and outreach.
- d. Committee will review rules and procedures in SOIA Competitions.

#4. Katie Rasmussen continues to recruit a representative from the North Region to serve on the Competition and Training Advisory Committee.

#5. Bruce Wilson will draft an article for the Newsletter to spread the word to the Field on the role of the Competition and Training Advisory Committee.

#6. Other discussion:

- a. Laurie Fallon commented on how good it is to see the State Office presence at the Fall Coaches Meetings.
- b. Rob Wagner is concerned with our lack of Unified Team participation and hopes that we will see growth in this area.
- c. Lori Emery would like to see a “Coaches Portal” so that coaches could see their profile and check how they are doing in their certifications. What is the status on form work that is being translated to Spanish?
- d. Discussion then led to whether we will start to get more accountability in coaches having current certifications.
- e. Committee was asking the status on the VP of Programming.
