EVENT DESCRIPTION

Back the Blue is a 5K run/walk combined with an optional pump challenge, where the participant can subtract time off their running time based on how many times he or she can bench press a percent of their weight. The top male and female participants in each age category will receive a medal.

To calculate the score, an athlete will reduce their 5k run time by 30 seconds for each successful lift. (Max 30 reps for a max of 15-minute reduction). Percentage is determined by age and gender.
