INTRODUCTION

TO

SPECIAL OLYMPICS

SPECIAL OLYMPICS ATHLETE OATH

“Let me win. But if I cannot win, let me be brave in the attempt.”

MISSION STATEMENT

The mission of Special Olympics is to provide year-round sports training and athletic competitions in a variety of Olympic-type sports for children and adults with intellectual disability by giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy, and participate in a sharing of gifts, skills and friendships with their families, other Special Olympics athletes, and the community.

GOAL OF SPECIAL OLYMPICS

The ultimate goal of Special Olympics is to help persons with intellectual disabilities participate as productive and respected members of society at large, by offering them a fair opportunity to develop and demonstrate their skills and talents through sports training and competition, and by increasing the public's awareness of their capabilities and needs. The Founding Principles support this goal by emphasizing that people with intellectual disabilities can enjoy, learn and benefit from participation in individual and team sports, underpinned by consistent training and by competition opportunities for all levels of ability. According to the Principles, Special Olympics must transcend all boundaries of race, gender, religion, national origin, geography, and political philosophy. They also state that every person with an intellectual disability should have the opportunity to participate and be challenged to achieve their full potential, with the focus at community level, to reach the greatest number of athletes, strengthen their families and create an environment of equality, respect and acceptance.

RESPECT WEEK

This week is devoted to educating and raising awareness of the positive impact individuals with intellectual disabilities have in our communities and an opportunity for Special Olympics Iowa delegations to publicly promote RESPECT! During this week Special Olympics athletes and unified partners will have the opportunity to converge on the Iowa State Capitol as a way to share their stories and encourage others.

Unified Champion Schools across Iowa will engage their entire student body by hosting programs in their schools throughout the week.

SPECIAL OLYMPICS, INC.

Special Olympics, Inc. has the right and the responsibility to ensure that all sports training and competition offered to persons with intellectual disability under the name or auspices of “Special Olympics” are organized, financed, and conducted in accordance with uniform international standards, and in a manner that preserves the quality and reputation of Special Olympics and best serves the interests of persons with intellectual disability worldwide. To that end, SOI has the authority to interpret, issue and periodically amend or update the General Rules and the other Uniform Standards as well as other written policies on matters covering the entire scope of the Special Olympics Movement including, to the extent necessary in SOI's judgment, authority on all matters affecting the organization accreditation, financing, and conduct of Accredited Programs and other Special Olympics Programs rests with SOI as the creator, developer, and world governing body for Special Olympics.

ROLE OF ACCREDITED PROGRAMS

SOI licenses and accredits qualified accredited programs throughout the world to operate Special Olympics training and competition programs within their respective geographic boundaries. To the extent permitted by the General Rules, Accredited Programs may, in turn, directly operate or license and accredit other qualified organizations to operate local sub-programs within their respective geographical jurisdictions.

LANGUAGE GUIDELINES

Words matter. Words can open doors to cultivate the understanding and respect that enable people with disabilities to lead fuller, more independent lives. Words can also create barriers or stereotypes that are not only demeaning to people with disabilities, but also rob them of their individuality. The following language guidelines have been developed by experts for use by anyone writing or speaking about people with intellectual disabilities to ensure that all people are portrayed with individuality and dignity.

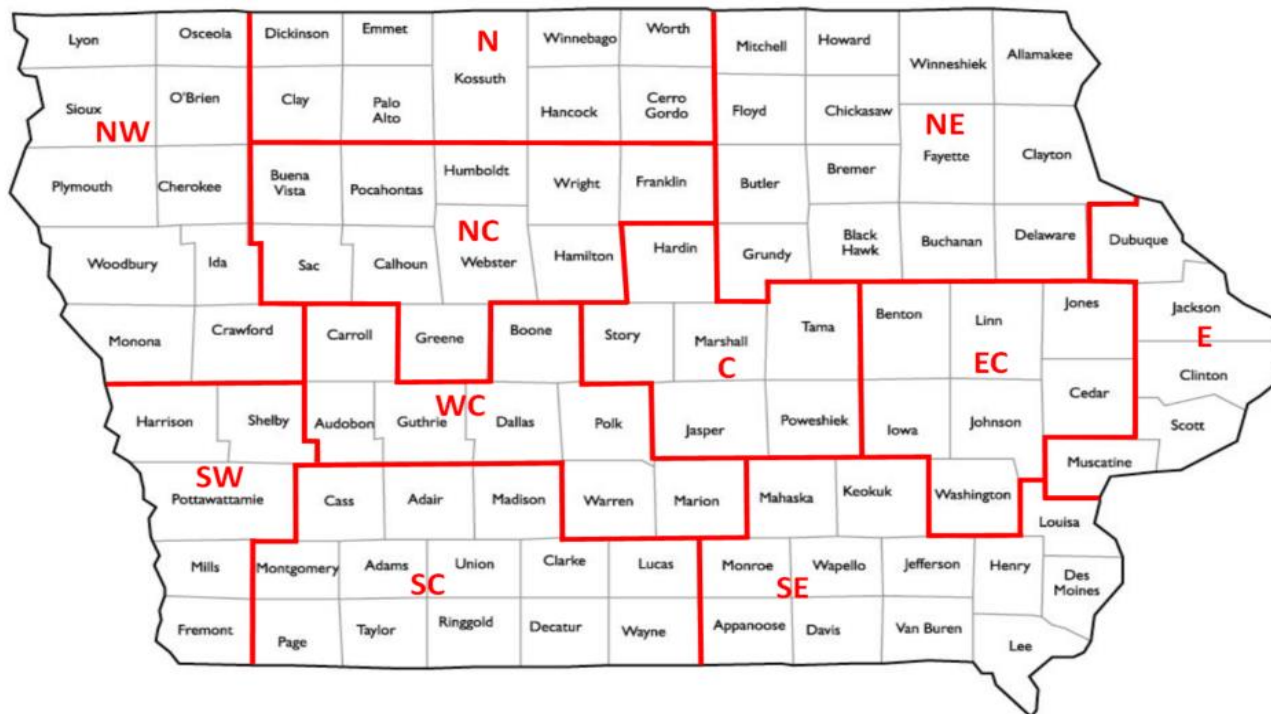

Appropriate Terminology

- Refer to participants in Special Olympics as Special Olympics athletes rather than Special Olympians or Special Olympic athletes
- Refer to individuals as persons or people with intellectual disabilities rather than intellectually disabled people or the intellectually disabled
- Refer to individuals as a person has intellectual disabilities rather than is suffering from, is afflicted with, or is a victim of mental retardation/intellectual disabilities
- Distinguish between adults and children with intellectual disabilities. Use adults or children, or older or younger athletes
- A person uses a wheelchair rather than is confined or restricted to a wheelchair
- "Down syndrome" has replaced "Down's Syndrome" and mongoloid
- Refer to participants in Special Olympics as athletes. In no case should the word athletes appear in quotation marks
- When writing, refer to persons with a disability in the same style as persons without a disability: full name on first reference and last name on subsequent references
- Do not refer to an individual with intellectual disabilities as "Bill" rather use the journalistically correct "Bill Smith" or "Smith"
- A person has a physical disability rather than crippled
- Use the words "Special Olympics" when referring to the worldwide Special Olympics movement

Terminology to Avoid

- Do not use the label "kids" when referring to Special Olympics athletes. Adult athletes are an integral part of the movement
- Do not use the word "the" in front of Special Olympics unless describing a specific Special Olympics event or official
- Do not use the adjective "unfortunate" when talking about persons with an intellectual disability. Disabling conditions do not have to be life-defining in a negative way
- Do not sensationalize the accomplishments of persons with disabilities. While these accomplishments should be recognized and applauded, people in the disability rights movement have tried to make the public aware of the negative impact of referring to the achievements of people with physical or intellectual disabilities with excessive hyperbole
- Use the word "special" with extreme care when talking about persons with intellectual disabilities. The term, if used excessively in references to Special Olympics athletes and activities, can become a cliché

ATHLETE

INFORMATION

ATHLETE ELIGIBILITY FOR SPECIAL OLYMPICS

Under the “Eligibility” section of the Official Special Olympics Sport Rules, it states that people are eligible for Special Olympics provided they meet the following criteria:

- People age eight and above who are considered to have intellectual disability* as determined by their localities
- People with closely related developmental disabilities** such as those who have functional limitations, both in general learning and in adaptive skills (such as recreation, work, independent living, self-direction, or self-care)

Note: People with functional limitations based solely on a physical, behavioral, emotional, specific learning disability, or sensory disability are not eligible.

*Any person eight years of age or older who is identified as having intellectual disability by an agency or a professional in any given local area is considered eligible for Special Olympics. Other terms that may be used synonymously with intellectual disability include: cognitive disabilities, mental handicaps, or mentally challenged.

**When the term “intellectual disability” or other similar description is not used to identify the person in a local area, eligibility should be determined by whether or not the person has functional limitations in both general learning and adaptive skills. “Developmental disability” is the term most often used to describe persons with both limitations. Other terms that may be used synonymously with developmental disabilities are developmental handicap, developmentally delayed, or severe disabilities.

General learning limitations refer to substantial deficits in conceptual, practical, and social intelligence that will result in performance problems in academic learning and/or general life functions. Learning limitations may be assessed by standardized tests or through criterion-referenced measures (such as teacher/parent observations or actual performance samples).

Adaptive skills limitations refers to on-going performance deficits in skill areas considered essential to successful life functioning. These adaptive skills areas include: communication, self-care, home-living, social skills, community use, self-direction, health and safety, functional academics, recreation/leisure, and work. Adaptive skills limitations may be measured by standardized tests (such as adaptive behavior scales or checklists) or through criterion-referenced measures (such as teacher/parent observations or actual performance samples).

If a person is identified as having a developmental disability with functional limitations in both general learning and adaptive skills, it must still be determined by an agency or professional whether or not the functional limitations are solely due to intellectual disability or a closely related developmental disability. If the functional limitations are solely due to physical disabilities, emotional disturbance, behavior disorders, specific learning disabilities, visual impairments, or sensory disabilities, this person is not eligible for Special Olympics.

REGISTRATION OF ATHLETES

An individual with an intellectual disability who meets the eligibility requirements may register as a SOIA athlete by submitting a Special Olympic Iowa Release & Medical Form. Click [here](#) or go to **Section 9 – GENERAL FORMS**. All athletes must have a completed release & medical form submitted to the State Office prior to training and competition.

PARTICIPATION OF ATHLETES WITH CRIMINAL RECORDS OR A HISTORY OF VIOLENT OR ABUSIVE BEHAVIOR

Principles

Special Olympics Iowa is an athlete-centered movement that welcomes athletes of all abilities with intellectual disabilities to participate in sports training and competition. Special Olympics Iowa is inclusive for all persons with intellectual disability over the age of eight.

The health and safety of all Special Olympics Iowa participants is of paramount importance to Special Olympics Iowa. Participants should feel that every Special Olympics Iowa event is a safe and positive experience and should not be fearful of other athletes, coaches, or volunteers.

Because of our inclusive philosophy, the issue of how to treat athletes who have been convicted of violent crimes or who engage in violent, abusive or disruptive behavior, or sexual abuse is particularly sensitive.

Special Olympics Iowa must balance the principle of inclusiveness and of providing a safe environment for all athletes, volunteers, and staff members.

It is incompatible with Special Olympics Iowa principles to exclude athletes from participation based solely on a criminal conviction or a sexual abuse incident. Special Olympics Iowa accepts individuals with intellectual disabilities as they are. Special Olympics Iowa needs to understand their intellectual disability, should applaud and nurture their abilities, and must evaluate each athlete with a criminal record or a behavioral problem individually. Hard and fast rules would unfairly deny many potential Special Olympics athletes an opportunity to compete, to be accepted, and to feel joy.

Policy

Special Olympics Iowa has established a policy on dealing with athletes with violent criminal records or with a history of violent, abusive or disruptive behavior, or sexual abuse. Special Olympics Iowa will take into account several factors when determining the severity of an incident and what, if any, action needs to be taken. The criteria established by Special Olympics Iowa must be applied on a case-by-case basis. The criteria should include the following:

1. **Type of offense/incident.** Violent behavior that damages property, while not to be ignored, should not be accorded the level of seriousness as behavior that injures or is intended to injure a person, such as a physical assault or sexual assault.
2. **Recency of the offense/incident occurred.** A recent offense/incident is of greater concern than one that took place many years ago (assuming no further incidents). Special Olympics Iowa should recognize that an individual can change and merit re-evaluation.
3. **Number of offenses.** Has the athlete committed multiple offenses/incidences of a similar nature, or are there a few isolated incidences?
4. **Athlete Capacity.** Is the athlete higher or lower functioning? Making this determination, if possible, can help Special Olympics Iowa to determine if the athlete understood his/her conduct at the time of the offense/incident – Special Olympics Iowa has a higher obligation to make reasonable accommodations for lower functioning athletes.
5. **Medication.** Was medication a cause of the behavior, either through its omission or its effect on the athlete? Adjustment in medications or protocols could reduce the risk or potential for adverse behaviors.

Options

Establishing a policy that addresses athletes with violent criminal records or with a history of violent, abusive or disruptive behavior, or sexual abuse, Special Olympics Iowa has developed multiple options that it can use according to the results of the above evaluation. The following list demonstrates several possibilities, in no particular order. Depending on the facts, Special Olympics Iowa may immediately move to suspend an athlete or take other action that Special Olympics Iowa deems necessary to protect all of its athletes, volunteers and staff.

1. **Special Olympics Iowa will allow the athlete to participate on a probationary basis.** This gives Special Olympics Iowa, the athlete, coach, facility, and the family/guardian a chance to review conduct on a systematic basis and to make any changes that the program deems necessary. The athlete, coach, facility, and the family/guardian should be informed from the outset that participation is conditional upon continued satisfactory behavior, what the probationary period is, and the system review.
2. **Special Olympics Iowa will ensure there is a one-on-one volunteer chaperone with the athlete.** In the case of a nonviolent athlete, Special Olympics Iowa may require that there is a one-on-one volunteer to chaperone an athlete with a history of sexual abuse. The athlete is required to have a volunteer provided by their delegation.
3. **Special Olympics Iowa requires the athlete to attend counseling or anger management courses.** Athletes exhibiting certain types of behavior may respond well to counseling services including anger management, stress reduction, or psychotherapy. Special Olympics Iowa cannot provide these services; however, Special Olympics Iowa can require that athletes attend such meeting or session as a condition of participation. This option may be combined with other options and should be monitored to ensure compliance/progress.
4. **Special Olympics Iowa has the right to prohibit athletes with histories of sexual abuse or violent behavior from overnight trips.** This option is less desirable than assigning a one-on-one volunteer to an athlete who has previously engaged in inappropriate sexual behavior or violent behavior, but would be appropriate when the risk to others cannot be sufficiently eliminated by a chaperone.
5. **Sex Offender Registry.** Any Special Olympics athlete whose name appears on the Sex Offender Registry will be barred from competition in Special Olympics Iowa.
6. **Special Olympics Iowa can restrict the sports in which an athlete may compete.** Some sports, such as flag football and basketball, involve physical contact and emotion that can agitate an athlete to the point that he/she has a violent reaction. One option is to steer the athlete into sports such as athletics or swimming with a lower likelihood of physical contact.
7. **Special Olympics Iowa may suspend the athlete temporarily.** A temporary suspension for a defined period of time may be the best solution depending on the seriousness of the behavior, in which case Special Olympics Iowa should make clear to the athlete, coach, facility, and family/guardian what steps must be taken for reinstatement, including when the review will take place, by whom, and what factors will be considered.
8. **Special Olympics Iowa may expel the athlete from or deny participation in Special Olympics.** This is the last and least desirable option, as it is the harshest for the athlete and is the most likely to lead to litigation. Thus, expulsion or denial of participation must be subject to due process safeguards, including a hearing and right to appeal, in order to protect the athlete and Special Olympics Iowa.

Liability

Special Olympics Iowa is concerned about potential liability if it permits a person, known to have a criminal record or history of violent, abusive or disruptive behavior, or sexual abuse, to participate as an athlete. Conversely, Special Olympics Iowa may be concerned about liability if it denies such a person the opportunity to participate. If Special Olympics Iowa undertakes the above analysis, applying the guidelines and documenting the steps consistently for all athletes, Special Olympics Iowa will reduce its potential liability for whatever action Special Olympics Iowa takes.

If Special Olympics Iowa thoroughly reviews the situation, determines that the athlete can participate and implements one of the options outlines above, then Special Olympics Iowa can demonstrate that it has taken appropriate and reasonable precautions to protect the health, safety, and rights of all who participate in Special Olympics.

Conversely, Special Olympics Iowa is not obligated by law to permit a potential athlete with a criminal record or a history of violent, abusive or disruptive behavior, or sexual abuse to participate. If Special Olympics Iowa conducts the type of review suggested above and concludes that the athlete should not participate, Special Olympics Iowa will be acting prudently within its rights as a Special Olympics Program. While an athlete, his/her coach, or facility or family/guardian may be unhappy with the decision, or may threaten legal action, Special Olympics Iowa should have a strong defense for its decision.

Administration of the Policy

A committee will be appointed by the State Office of Special Olympics Iowa to review and direct these policies.

SEX OFFENDER REGISTRY

All Special Olympics Iowa Release & Medical Forms will trigger a sex offender check on the name of the submitting individual to make certain they do not appear on this list.

Any Special Olympics athlete whose name appears on the Sex Offender Registry is barred from participation or attendance at any SOIA sponsored event. If your delegation has athletes who fall under such criteria, you must prohibit them from participation in any practices and/or Special Olympics sanctioned events or opportunities.

If the athlete was listed on the Sex Offender Public Registry but has since been removed, contact the Special Olympics Iowa office for instructions before submitting the Special Olympics Iowa Release & Medical Form.

SPECIAL OLYMPICS IOWA RELEASE & MEDICAL FORMS – (See Section 9 - GENERAL FORMS)

Instructions for completing the Special Olympics Iowa Release & Medical Forms

- The Special Olympics Iowa Release & Medical Forms must be filled in completely
- Detailed instructions and guidance regarding these forms can be found [here](#)

The Physical Exam and the Athlete Information Form are valid three years from the examination date. The Participant Release Form only needs to be completed one time unless an athlete's name legally changes.

Athlete Information Form

One page that needs to be submitted every three years with a physical exam. This form gathers basic information and demographics on the athlete. These sections must be filled in completely.

Participant Release Form

One page that only needs to be filled out once for an athlete. This is a legal document that must be submitted one time unless an athlete's name legally changes.

Verbal consents for signatures will not be accepted due to liability reasons.

Medical Forms

It is recommended that the SOIA Medical Forms are used, however it is not required. If an athlete has a current physical through another source (school, clinic, etc.), we will accept the form.

SOIA Athlete Medical Form – Health History

Two page document that must be completed by the athlete and/or parent/guardian/caregiver and submitted with the Physical Exam.

SOIA Athlete Medical Form – Physical Exam

Indicates if the athlete has been cleared to participate in sports. Must be completed by a licensed health professional who can administer physical examinations by the state in which he/she practices. This person, by signing the Physical Exam, is stating that the athlete is in good health and can safely participate in Special Olympics sports training and competition

Additional forms

Additional forms may be required for the athlete depending on boxes checked on the Participant Release Form and/or the Physical Exam. These forms can be requested at physicals@soiowa.org.

After Completing the Release & Medical Forms

Scan a copy of all completed Release & Medical Forms and email to physicals@soiowa.org.

To help eliminate confusion and errors please only send one athlete Release & Medical Form per email. An automatic reply will be sent once we have received the email, however this does not mean that the physical has been processed. Please allow up to two weeks for all forms to be processed. If there are any questions and/or errors regarding the forms submitted, additional follow-up will occur.

If you are unable to scan and email, make a copy of the Special Olympics Iowa Release & Medical Form and send it to Special Olympics Iowa, PO Box 620, Grimes, Iowa, 50111. If the copy is not legible, we may ask for the original copy. Once the form is received, the State Office will then begin to process it. The Release & Medical Form will not be validated until all information is correct and completed on the approved forms.

SOIA requires that all Special Olympics Iowa Release & Medical Forms be presented prior to or at the time of the registration for the event. All forms for the event in question must be valid throughout the completion of that competition.

ATLANTOAXIAL INSTABILITY

Atlantoaxial instability can be defined as an abnormal increase of mobility of the two upper cervical vertebrae (C-1 and C-2) located at the top of the neck (Cooke, 1974). The stability of the atlantoaxial joint is determined by the integrity of the cranovertebrae ligaments and other factors (Aung, 1973). A displacement of the C-1 vertebrae in relation to the C-2 vertebrae results in atlantoaxial dislocation (Shriver, 1983). According to Aung (1973), this dislocation, which only rarely affects individuals with Down syndrome, "...occurs spontaneously or can be induced by minor injury" (p.197). The results of this dislocation is generally an excessive anterior movement of the upper spine and has quite serious implications (Giblin & Micheli, 1979).

SOI has an outstanding safety record and was the first organization serving disabled populations to

react to the concerns of the medical community. As best as can be determined, no individual with Down syndrome participation in the Special Olympics program has been injured due to atlantoaxial instability (Cooke, 1984; Shriver, 1983). In March, 1983, Special Olympics outlined the following procedures in response to the situation.

There is evidence from medical research that up to 10 percent of individuals with Down syndrome suffer from a mal-alignment of the cervical vertebrae C-1 and C-2 in the neck. This condition exposes Down syndrome individuals to the possibility of injury if they participate in activities that hyper-extend or radically flex the neck or upper spine.

Restrictions of individuals with Down syndrome to participate in certain activities apply:

- National and U.S. Programs may allow all individuals with Down syndrome to continue in most Special Olympics sports training and competition activities. However, such individuals shall be temporarily restricted from participating in sports training and competition activities which, by nature, result in hyper-extension, radical flexion, or direct pressure on the neck or upper spine, unless the requirements below are satisfied. Such sports training and competition activities include: butterfly stroke and diving starts in swimming, diving, pentathlon, high jump, equestrian sports, artistic gymnastics, football (soccer), alpine skiing, and any warm-up exercise placing undue stress on the head and neck;
- Restriction from participation in the above-listed activities continue until an individual with Down syndrome has been examined (including x-ray views of full extension and flexion of the neck) by a physician who has been briefed on the nature of the atlantoaxial instability condition, and the results of such an examination demonstrate that the individual does not have the atlantoaxial instability condition; OR
- For any individual diagnosed as having the atlantoaxial instability condition, the examining physician shall notify the athlete's parents or guardians of the nature and extent of the individual's condition, and such athlete shall be allowed to participate in the activities listed above only if the athlete submits written certifications from two physicians, on forms prescribed by SOI, combined with an acknowledgement of risks signed by the adult athlete or his or her parents or guardian if the athlete is a minor.

ATHLETE CODE OF CONDUCT FORM & ATHLETE CODE OF CONDUCT INCIDENT REPORT FORM – (See Section 9 – GENERAL FORMS)

ATHLETE CODE OF CONDUCT - DISCIPLINARY STEPS FOR VIOLATION

The following progressive disciplinary steps may be taken with the delegation at whichever step is deemed appropriate under the circumstances by a sanctioned representative. **The representative must notify the Area Director and State Office of any action that is taken.**

- Step 1** Verbal warning to the athlete and to the parent/guardian or caseworker with a written copy of the Incident Form to the Area Director and State Office.
- Step 2** A written Incident Report must be completed giving warning to the athlete with a copy to the Area Director, State Office, and parent/guardian or caseworker.
- Step 3** A personal meeting to review the unacceptable behavior of the athlete and to agree on a plan for behavior improvement shall be conducted by the local coach with the athlete, the athlete's parent(s)/guardian(s) and/or the athlete's case worker. If the athlete is over 18 and his/her own guardian, then the athlete may choose to have another adult present for the meeting. If necessary, the Area Director and/or SOIA staff may attend the meeting.

The meeting shall be documented in writing. Meeting notes will be distributed to the athlete, the athlete's parent(s)/guardian(s) and/or caseworker, Area Director, and the State Office.

- Step 4** Suspension from practices or competition for a specific time period (such as during the specific sport season).

The Area Director and State Office must be contacted before an athlete is suspended. The action will be documented in writing and presented to the athlete, parent/guardian or caseworker, Area Director and a copy sent to the State Office.

Any further action must be approved by the Area Director and State Office.

Further action could be, but is not limited to:

- Suspension for a longer period
- Permanent expulsion

Athlete Appeal Process

The athlete has the right to appeal any disciplinary action to the State Office. The athlete or the athlete's representative must submit a written notice of appeal to the President/CEO of SOIA. This notice must include a request for a meeting within 30 days of being notified of the disciplinary action.

The appeal will be heard by a designated advisory committee. A decision must be rendered in writing within 21 days following the meeting and may reverse, amend or affirm the disciplinary action. The decision shall be submitted to the athlete and to their local delegation and should include, if applicable, a plan of action for the athlete to correct the unacceptable behavior that led to the disciplinary action.

HONEST EFFORT/TWENTY PERCENT RULE

According to the Official Special Olympics Sports Rules, athletes are to participate honestly and with maximum effort in all preliminary trials and/or finals. The Honest Effort Rule may be followed unless occasional circumstances warrant exceptions as determined by the Area Director at area competitions/Sport Venue Director at state competitions.

Coaches are responsible for assuming that the reported assessments and preliminary or qualifying scores for their athletes accurately reflect the ability of their athletes. Coaches should submit their athletes best available performance time/measurement whether it is from a preliminary event or practice.

Past event results are available on the website <https://www.soioa.org/competitions/results/>

ATHLETE SPECIAL PRIVILEGE FORM – (See Section 9 – GENERAL FORMS)

The Delegation Manager or Head Coach may request a sport rule exception for an athlete. The Athlete Special Privilege Form is to be submitted to the Area Director for area swimming, athletics, basketball skills, and bowling events. The form is to be submitted to the State Office for all state competitions. The Area Director or State Staff will let you know if the exception is approved. If your request is not allowed you will have the option of entering that athlete in a different event (i.e. shorter running event, swimming freestyle in place of breast stroke, developmental event, etc.).

- Special Privilege Form is to be submitted along with your entry/registration form for specific sport you are requesting

VOLUNTEER

INFORMATION

VOLUNTEER SCREENING AND REQUIREMENTS

SOIA appreciates the thousands of volunteers who share their time and talents with Special Olympics athletes throughout the year. SOIA is committed to protecting the athletes, volunteers, and staff involved with the program. SOIA has a mandatory Volunteer Registration and Screening Policy for all Class A volunteers. Failure to complete the requirements may result in rejection of the application or termination of any involvement with the program.

Day of Event Volunteers

- Sign in at the venue only, no application necessary

Class A Volunteers

- Volunteers who have regular, close physical contact with athletes
- Volunteers in a position of authority or supervision with athletes
- Volunteers in a position of trust of athletes
- Volunteers who handle substantial amounts of cash or other assets of SOIA

Examples: Coaches, chaperones, Athlete Leadership Program mentors, family members who drive/chaperone non-related athletes, Unified Sports partners, LETR members, athletes that are coaching, and steering committee members.

To become a Class A Volunteer (17 years old and younger)

- Complete a [SOIA Participate Release Form](#) and submit to classa@soiowa.org

To become a Class A Volunteer (18 years old and older)

1. Complete a [Class A Volunteer Application](#). This allows SOIA to run a criminal and sex offender background check using a national vendor First Advantage
 - a. Driver's License – **ONLY** need front side
2. Complete the Protective Behavior Training and quiz [online](#) or request a printed copy from the State Office. Both you and SOIA will receive a confirmation email. If you requested a printed copy of the quiz, return it to the State Office by mail or email to classa@soiowa.org
 - a. Open the Special Olympics Learning Portal
 - b. Create Login
 - c. Learning Area - Select Protective Behaviors
 - d. Region – SO North America and choose "Iowa" in the drop down
3. Submit a color photo, passport quality. The easiest way to submit a photo is to email to classa@soiowa.org. Please make sure it is not blurry or black and white and is appropriate for all to see. Your driver's license photo is not allowed to be used as your colored photo. If you prefer, you may mail a photo to the SOIA State Office. Your photo will be returned with your credential
4. Read the Coach/Chaperone/Unified Sport Partner Code of Conduct (found in **Section 9 – GENERAL FORMS**) and check the box on the Class A Volunteer Application form

*The first three requirements listed above must be completed and submitted before a background check may be processed. To ensure that a credential is issued by a certain date, please complete the requirements at least 30 days in advance. Incomplete applications will be held at the State Office for three months. After that, the application will be shredded and a new application will need to be submitted.

Class A credential expiration date begins when the background check is complete, not when it is submitted.

Class A Volunteer Application is required to be renewed every three years.

Credentials will be mailed to the Delegation Manager to distribute to volunteers, unless stated otherwise.

CLASS A PROCESS & SECURITY

SOIA understands that in this age of identity theft that providing personal information for our criminal and sex offender background checks may cause some concern. Below is information on how your personal information is handled by SOIA.

Who may view the Class A Volunteer Application information?

- The Program Administrative Assistant and CEO

Where is personal information stored?

- All Class A Volunteer Applications are stored in a locked filing cabinet
- Applications are kept for five years and then shredded
- Name, address, and birth date are stored on the SOIA Games Management Software (GMS) database system. SOIA tracks birthdates to help verify volunteers in the system
- Social Security numbers are not stored on any electronic files

CLASS A VOLUNTEER APPLICATION – (See Section 9 – GENERAL FORMS)

PROTECTIVE BEHAVIOR TRAINING SLIDES AND QUIZ – (See Section 9 – GENERAL FORMS)

COACH/CHAPERONE/UNIFIED SPORT PARTNER CODE OF CONDUCT – (See Section 9 – GENERAL FORMS)

COACH/CHAPERONE/UNIFIED SPORT PARTNER CODE OF CONDUCT INCIDENT REPORT FORM – (See Section 9–GENERAL FORMS)

Disciplinary Steps for Violating Coach/Chaperone/Unified Sport Partner Code of Conduct

The following progressive disciplinary steps may be taken with the delegation at whichever step is deemed appropriate under the circumstances by the Area Director and staff of Special Olympics Iowa.

1. Verbal warning to the coach/chaperone/Unified Sport partner with a written copy of the Incident Form to the Area Director and State Office.
2. A written Incident Report must be completed giving warning to the coach/chaperone/Unified Sport partner with a copy to the Area Director and State Office.
3. The State Office and Area Director will conduct a personal meeting with the coach/chaperone/Unified Sport partner to review unacceptable behavior and to agree on a plan for improvement. The meeting will be documented in writing and copies distributed to the coach/chaperone/Unified Sport partner, Area Director and State Office.
4. Suspension from coaching/chaperoning/Unified Sport partner for a specific time period.

The State Office and Area Director will discuss the circumstances and must approve/disapprove the action. The action will be documented in writing and presented to the coach/chaperone/Unified Sport partner and a copy will be sent to the local delegation.

Any further action must be approved by the Area Director and State Office. Further action could be, but is not limited to:

- Suspension for a longer period
- Permanent expulsion

Appeal Process

The coach/chaperone/Unified Sport partner has the right to appeal any disciplinary action to the State Office. The coach/chaperone/Unified Sport partner must submit a written notice of appeal to the President/CEO of SOIA. This notice must include a request for a meeting within 30 days of being notified of the disciplinary action.

The appeal will be heard by a designated advisory committee. A decision must be rendered in writing within 21 days following the meeting and may reverse, amend or affirm the disciplinary action. The decision shall be submitted to the coach/chaperone/Unified Sport partner and to their local delegation and should include, if applicable, a plan of action for the coach/chaperone/Unified Sport partner to correct the unacceptable behavior that led to the disciplinary action.

COACH

INFORMATION

COACH EDUCATION PROGRAM

Special Olympics Incorporated (SOI) mandates that all Special Olympics Coaches must be certified in any sport for which they are a head coach. The SOIA Coach Education Program will help coaches fulfill the needed requirements.

The goal of the SOIA Coach Education Program is to give all athletes the benefit of quality coaching. Results of the program are an improvement in competitions, better awareness of rules, and better training.

Athletes are asked to practice at least eight weeks or 10 hours prior to a competition. During this time, athletes will learn and understand the specific sport rules, develop the skills needed for the sport, and become physically and mentally prepared for practice and competition.

Sport specific coaches trainings are offered on the SOIA website at [SOIA Sports Online Training](#). Sports not listed will be offered at the state competition and/or by request. For more information regarding [Special Olympics sports, rules, and coaching guidebooks](#), please visit the SOI website at www.specialolympics.org.

Additional online training opportunities are also available on the [SOIA Sports Online Training](#) page. These are provided through the American Sport Education Program (ASEP) and the National Federation of State High Schools (NFSHS). Trainings are sport-specific but are **not** Special Olympics-specific. Some fees are associated with online courses. You may apply to have up to half the cost of your online coaches trainings paid for by a SOIA scholarship. Visit the [Participation Forms](#) page to download the scholarship application or **See Section 9 - GENERAL FORMS**.

Please contact the State Office at (515) 986-5520 or go to the SOIA website with any questions or comments regarding SOIA coaches training.

The following must be completed *before* contact is made with SOIA athletes:

- [Class A Volunteer Application](#)
- [Protective Behaviors Training and Quiz](#)
- [General Orientation Quiz](#)
- [Heads-Up Concussion in Youth Sports](#)

Coach Recertification

Coach certification needs to be renewed every three years and can be accomplished by completing any of the following:

- Complete [SOIA Sports Online Training](#)
- Complete an online ASEP course or NFSHS course. (Some contain fees)
- Complete a continuing education course associated with working with persons with intellectual disabilities. Courses included those on Autism, learning and behavior disorders, and Down syndrome
- First Aid
- CPR
- Concussion training
- Other courses that would be beneficial to a SOIA coach

Special Olympics U.S. Programs - Coaching Progression

While some volunteers may choose to remain a Sport Assistant, others may strive to increase their level coaching and sports specific knowledge. Volunteers who wish to increase their coaching skills can progress through the levels of certification outlined below.

SPORT ASSISTANT

(Entry Level Requirements)

- Class A Form / Complete Background Check
- Special Olympics General Orientation
- Protective Behaviors Training
- Concussion Course

LEVEL 1 – CERTIFIED COACH

(Core Coaching Knowledge)

Traditional Special Olympics

- All Sport Assistant requirements
- Coaching Special Olympics Athletes – online course via Human Kinetics Coach Education (formerly ASEP) or in person training conducted by a Program approved trainer

ESTABLISHING A SPECIAL OLYMPICS IOWA DELEGATION

When establishing a Special Olympics Iowa delegation, the following steps should be taken:

1. Contact the State Office at (515) 986-5520 to get in touch with your Regional Field Director who can assist in this process.
2. Complete and/or submit the following paperwork to your Regional Field Director as soon as possible. The majority of forms can be found on the [Participation Forms](#) page of the SOIA website or in **Section 9 – GENERAL FORMS**:
 - a. [Delegation Manager Form](#) – Found in **Section 9 – GENERAL FORMS**
 - b. Go to the [Become a Coach](#) page – The Delegation Manager and all coaches/chaperones are required to fulfill the following coaching responsibilities.
 - i. [Class A Volunteer Application](#) – Found in **Section 9 – GENERAL FORMS**
 - ii. [Coach/Chaperone Code of Conduct Form](#) – Found in **Section 9 – GENERAL FORMS**
 - iii. [Protective Behaviors Training and Quiz](#) – More information in **Section 3 – VOLUNTEER INFORMATION** or slides and quiz may be found in **Section 9 – GENERAL FORMS**
 - iv. [General Orientation and Quiz](#) – Found on the SOIA website and **Section 9 – GENERAL FORMS**
 - c. **Centralized Accounting** – For tax reporting purposes, all money raised in the name of Special Olympics Iowa must be filtered through the SOIA State Office. Please contact the State Office to establish an account
 - d. **Special Olympics Sports Certification** – Required within three years of coaching in each sport – upcoming trainings can be found in the newsletter or you can find online courses [on our website](#)
3. Complete athlete paperwork and training requirements:
 - a. [Athlete Special Olympic Iowa Release & Medical Form](#) – Form can be found in **Section 9 – GENERAL FORMS**. All SOIA athletes are **required** to complete and submit a medical form to the State Office prior to training and competing. The form must be renewed every three years. Keep copies of your athletes' form and have available at all practices and events in case of an emergency.
 - b. [Athlete Code of Conduct](#) – Form can be found in **Section 9 – GENERAL FORMS**. All athletes should sign for accountability purposes. Keep this form for your own records.
 - c. **Training** – Athletes must begin training at least eight weeks or 10 hours prior to any competition.
 - d. **Unified Sports Partners** – Unified Sports partners are individuals without intellectual disabilities who practice and compete alongside Special Olympics athletes in team sports. Unified Sports partners are **required** to receive Class A status prior to contact with Special Olympics athletes. The [Class A Application](#) can be found in **Section 9 – GENERAL FORMS**. You can find more information about the Unified Sports program in **Section 6 – SPECIAL PROGRAMS**.
4. To register for events and competitions:
 - a. **Schedule of Events** – You can find a current schedule of all events on our website under [schedule of events](#).

- b. [Area Competitions](#) – Qualifying competitions are held at the Area level. You may find these on the SOIA website under [Competition/Participation Forms](#). Area entry forms are due to the Area Director prior to deadlines
- c. [State Competitions](#) – Competition registration materials provide additional details regarding State Competitions, entry forms, and deadlines. You can find these on the SOIA website under [Competitions/Participation Forms](#). All entry forms are due to the State Office prior to deadlines
- d. [Special Programs](#) – Special Programs include Athlete Leadership Programs (ALP), Challenge Days, Healthy Athletes, Unified Champion Schools, Unified Sports and Young Athletes Play Day. **See Section 6 – SPECIAL PROGRAMS** for additional information
- e. [Fundraising Events](#) – SOIA conducts many fundraising events throughout the year in order to provide opportunities for our athletes

5. Maintain regular communication with the State Office:

- a. [Newsletter](#) – You will be added to this email list after submitting your Delegation Manager Form. Please review information to stay current
- b. Annual Coaches Meetings – Coaches meetings are held annually in the fall within each area. Meeting dates will be posted on the [schedule of events](#) and in the newsletter. *Please attend for important updates, event dates, and deadlines*

DELEGATION MANAGER FORM – (See Section 9 – GENERAL FORMS)

Each delegation of SOIA will designate a Delegation Manager. The primary role of the Delegation Manager is to serve as a liaison between the delegation, Area Director, and State Office. Responsibilities of the Delegation Manager include providing ongoing communication with the Area Director, State Office, delegation volunteers including coaches, athletes, and athlete families and/or staff, submitting registration forms (including entry forms) to the Area Director and State Office, and distributing Class A credentials to delegation members.

- This form only needs to be filled out once or when there are any changes
- Submit additions or changes to classa@soiowa.org

COMPETITION AND TRAINING ADVISORY COMMITTEE

This committee consists of key volunteers who are located throughout the state and serve as a valuable and necessary link between the SOIA volunteers and the SOIA staff. This committee will advise staff in the areas of training, competition, and overall customer service concerns. A list of current committee members can be found on the “Competition and Training Advisory Committee” page of the SOIA [website](#) under “About Us”.

CONCUSSION AWARENESS AND SAFETY RECOGNITION

The Special Olympics U.S. Risk Management & Insurance Task Force (RMITF) with input from the Medical Advisory Committee (MAC) has created the following concussion awareness and safety recognition policy that was implemented by all U.S. Programs effective January 1, 2015. The attached policy represents minimum requirements all U.S. Programs must follow. In addition, Iowa law requires that additional safety measures be enacted in order to properly manage the health, safety and welfare of all participants in the state of Iowa. Those measures are described in the following documentation.

The two key governing bodies regarding athlete safety MAC and the RMTF have discussed the need for a concussion management policy to ensure the health and safety of all Special Olympics participants on both national and state levels. Additionally, insurance requirements and state law have driven many

sports organizations to implement concussion management policies.

If you have any additional questions concerning this policy please feel free to contact Jina Doyle (jdoyle@amerspec.com) or Jocelyn Starzak (jstarzak@specialolympics.org) to discuss the situation further. The primary focus of this policy is the well-being of Special Olympics participants, and all decisions should be made in the best interest of the participants. **“When in doubt, sit them out!”**

As noted, please feel free to contact either of the two individuals listed above and/or the State Office if you have questions that are specific to the actual policy.

Objective

It is Special Olympics intent to take steps to help ensure the health and safety of all Special Olympics participants. All Special Olympics participants should remember that safety comes first and should take reasonable steps to help minimize the risks for concussion or other serious brain injuries.

Defining a Concussion

A concussion is defined by the Centers for Disease Control as a type of traumatic brain injury caused by a bump, blow, or jolt to the head as well as serial, cumulative hits to the head. Concussions can also occur from a blow to the body that causes the head and brain to move quickly back and forth—causing the brain to bounce around or twist within the skull. Although concussions are usually not life-threatening, their effects can be serious and therefore proper attention must be paid to individuals suspected of sustaining a concussion. Subsequently, the State of Iowa defines this as the terms approved in Senate File 367, Iowa Code 280.13, affected in the Eighty-Fourth General Assembly.

Suspected or Confirmed Concussion

Effective January 1, 2015, a participant who is suspected of sustaining a concussion in a practice, game, or competition shall be removed from practice, play, or competition at that time. Removal from activity may be due to the observance of/from/by a coach, a contest official, or a qualified medical professional. If a qualified medical professional is available on-site to render an evaluation, that person shall have final authority as to the removal or return to play of the participant. If applicable, the participant's parent or guardian should be made aware that the participant is suspected of sustaining a concussion.

Return to Play

A participant who has been removed from practice, play, or competition due to a suspected concussion may not participate in Special Olympics sports activities until either of the following occurs:

1. At least seven consecutive days have passed since the participant was removed from play and a currently licensed, qualified medical professional provides written clearance for the participant to return to practice, play and competition, or
2. A currently licensed, qualified medical professional determines that the participant did not suffer a concussion and provides written clearance for the participant to return to practice play immediately. Written clearance in either of the scenarios above shall become a **permanent record** (see attached, approved return to participation protocol following a concussion guidelines for licensed health care providers)

Required Training and Timeline

All coaches are required to complete concussion awareness training, which is available at www.cdc.gov/concussion and submit the certificate of completion to their state program. Any concussion awareness training other than the CDC's Heads Up training must be approved by SOI. For coaches registering for the first time on or after 1 January 2015, confirmation of such training must be provided to the U.S. Program prior to the individual beginning volunteer duties. For coaches registered

prior to 31 December 2014, confirmation of such training must be provided to the U.S. Program no later than 31 December 2015.

U.S. Programs must implement a system for tracking completion of the concussion awareness training by coaches. Verification of completion of training must be emailed to the attention of the State Office no later than 45 days prior to the three year anniversary date of training in order to maintain certification status.

Frequency of Training

Concussion awareness training must be completed by all coaches at least once every three years.

Communication with Parents and Guardians

U.S. Programs are required to communicate in writing to all participants and/or parents/guardians, the concussion awareness and safety recognition program, as outlined in the “Suspected or Confirmed Concussion” and “Return to Play” sections of this policy.

The Centers for Disease Control website www.cdc.gov/concussion provides additional resources relative to concussions that may be of interest to participants and their families.

FIRST AID/EMERGENCY MEDICAL PLAN

ACCIDENT/INCIDENT FORM – (See Section 9 – GENERAL FORMS)

Developing Your Emergency Medical Plan

Planning and preparation are the keys to appropriate handling of athletic injuries. Regardless of the seriousness of an injury, failure to properly prepare for every foreseeable occurrence is inexcusable. In the case of a severe injury, careful preparation and an effective emergency plan can have a major effect on the outcome. **All incidents should be reported to SOIA within 24 hours using the Special Olympics Accident/Incident Report Form.**

First Aid Kit

The initial focus of your preparation is equipment and supplies required for treating injuries. Never begin a practice or event without a properly stocked first aid kit that is immediately accessible. All first aid kits should be updated/checked/re-stocked prior to any practice, event, or travel situation.

Minimum components are:

- Plastic adhesive strips (various sizes) and adhesive tape
- Gauze pads (sterile and non-sterile) and rolled gauze
- Triangle bandages and elastic wraps
- Squirt-top container of sterile water and cotton swabs
- Antibacterial cream, petroleum jelly, and sun block cream
- Scissors and sharp knife
- Phone numbers for emergency services
- Emergency information card for each athlete
- Medical gloves

Other essential items to have at the activity are:

- Adequate supply of ice in a well-insulated container
- Water reserved for emergency care
- Towels, blankets, and splints

Access to Emergency Medical Services (EMS)

The term “Access EMS” is used frequently in medical circles. This simply means that the highest level of pre-hospital care available in your area should be summoned as quickly as possible.

There are several principles that will aid in the rapid responses of EMS:

- Know whom to call before the need arises. The type of service available varies in different locales. It is important that you have knowledge of the services in your area. To locate this service, contact the hospital(s) in your area (or in the area where the event or practice is held) and ask what emergency services are available. If you wait until service is needed, valuable time will be wasted
- Record the phone numbers of local EMS services and have them available at all times. An index card will be useful when sending the assigned person to make the call for emergency help, and should be kept in the first aid kit. In addition, including this number in one’s cell phone contact list is strongly advised. This is even more important when 911 is not available
- Know the location of the nearest operational phone at all times during practice and games. Cell phones should be carried at all times in case of emergency. Establish a procedure for obtaining this information when traveling to an “away” event or practice site
- Know where you are by street name at all practices and games. This is especially true when you are in unfamiliar territory. It is much better to give too many directions than too few
- Know the easiest entrance to the field or building. Be sure that the access gate(s) or door(s) is unlocked, or that you have all necessary keys
- Assign a person to meet and direct the emergency units to the scene. That person must remain at designated “entrance” until all EMS units have arrived
- Ensure that you are prepared and available to give a complete report to arriving EMS personnel. Have the athletes medical information in hand and remain with the athlete until questions are answered
- Ensure that you have all athletes’ insurance coverage information available. This will save valuable time and avoid possible delays in treatment due to concern about payment of medical expense
- Keep parents, spectators, and others calm and well informed. It is often better to keep families away from the injured athlete, but not at risk of a confrontation. Keep them fully advised at what is happening and allow them to accompany the athlete if ambulance transport is required (assuming the ambulance company/EMT’s will allow it)
- Remain calm and cooperative. Stress that everyone involved in the care of an injured athlete must work together

Documented Plan

It is essential that your plan for handling medical emergencies be set forth in writing and distributed to all staff members. Anyone who may be called upon to assist in an emergency situation must receive and be completely familiar with the plan.

Include specific indications of policies and procedures to be followed. Key concerns are:

- Notification of parents
- Notification of administration
- Selection of transport method
- Designation of hospital
- Accompanying athlete to treatment
- Supervision of remaining athletes
- Preparation of injury report

If an athlete is injured during practice or a competition, delegations are to work with medical personnel to determine when the athlete can return to training and activities.

COACHES RESPONSIBILITIES AT COMPETITIONS, GAMES & TOURNAMENTS

Coaches are responsible for athletes throughout SOIA competitions and events, including travel to and from the events and any overnight stays. It is up to the coach to ensure that the athlete's physical and emotional needs are met during this time. Additional responsibilities include:

- Ensure that athletes are properly warmed-up prior to competition and cool down after
- Take precautions to avoid sunburn and heat exhaustion by using sunscreen, drinking plenty of water and taking advantage of shaded areas whenever possible. Verify that athletes are not allergic to sunscreen prior to application
- Be sure needed first aid is administered promptly. Bring a first aid kit if possible
- Be sure athletes get adequate rest. Security has the authority to remove individuals from the dormitories, hotels, or venue sites if behavior cannot be controlled
- Be sure athletes eat properly; avoid overeating or missing meals
NOTE: If an athlete requires a special diet, it is the responsibility of each coach to provide for the athlete's needs
- Be aware that the excitement of the games may encourage inappropriate behaviors. Close supervision while in the dormitories and at all activities is required
- The coach should be aware of athlete's possessions
- The coach is expected to be totally familiar with the medical conditions, precautions, and medication requirements of the athlete. It is the coaches' responsibility to insure that medication is administered properly and appropriately. Knowledge of the medication regimen (what, how much, and when) is essential
- The coach is expected to carry a copy of the valid Special Olympic Iowa Release & Medical Form for each athlete at all times
- The coach must be totally familiar with all schedules; sports, special events, and meals. It is the coaches responsibility to ensure the athlete is on time for all sports competition and also has the opportunity to participate in special activities
- The coach is expected to be familiar with Special Olympics sports rules. Questions or concerns about sports events should be addressed to the Director of Sports
- Protest Procedure – Only a Certified Coach may file a protest to the appropriate venue official within 30 minutes of the event
- ALCOHOLIC BEVERAGES AND SMOKING ARE **NOT** ALLOWED AT SPECIAL OLYMPICS EVENTS

Please do not hesitate to ask questions prior to or during the competition. The more you know, the less confusion will be experienced.

SECTION 5

FUNDRAISING,

POLICIES

&

PROCEDURES

DELEGATION FUNDING, FUNDRAISING AND GRANTS

There is no membership fee charged for participating in SOIA. However, there is a need for financing the year-round program in Iowa. Funds are needed to pay for the state expenses that include awards, postal and telephone service, board and room for coaches and athletes, insurance, printing, facilities, salaries, etc. Donations from individuals, organizations, businesses, foundations, and grants support SOIA. Contributions must be sent to the State Office.

You must obtain approval from SOIA if you intend to raise funds for any SOIA delegation or use the Special Olympics name. You must submit all revenue and request payments from the Centralized Accounting System at the State Office. The funds raised are yours to spend. However, SOIA must follow the accounting rules of the IRS.

If you have any questions or need any assistance with fundraising please contact the Vice President of LETR, Individual Giving Officer, and/or Regional Field Director. This includes applying for a grant to fund a program, activity, or general expenses. The development team can assist with corporation giving and foundation giving, as well as individual fundraising. If you plan to apply for a grant, it must be approved by the State Office before it can be submitted (*please allow for a minimum of one week for the State Office to review and approve*).

SCHOLARSHIP FUNDING GUIDELINES

The purpose of the SOIA scholarship is to provide delegations and area programs with assistance in providing, enhancing, or beginning a program of sports training and competition, Athlete Leadership Training, Healthy Athletes Programs, or FIT training for eligible athletes and Unified Sports partners. The scholarship should be viewed as a last option to cover expenses when other fundraising avenues have been exhausted and there are not enough funds available to cover expenses, for unexpected expenses or for unanticipated opportunities to grow or expand programs. More information and the application can be found on the [Participation Forms](#) page of our website or in **Section 9 – GENERAL FORMS**.

As a general rule SOIA will not fund more than 50 percent of the total budget of any delegation for which scholarship funding is requested. While the expense may be included in the overall program budget submitted with your scholarship request, funds will not be approved to pay for meals, coach stipends, or salaries.

Applications must be submitted to Rhonda Schwarzkopf, Director of Sports and Advanced Competitions at rschwarzkopf@soiowa.org three months prior to purchase.

Delegations may apply for scholarship funding more than once. However, the number and total dollar amount of requests made will be taken into consideration when reviewing applications.

CENTRALIZED ACCOUNTING OPERATIONAL GUIDELINES

Delegations that raise money in the name of Special Olympics are to contact the State Office to establish a Centralized Account. Each delegation is given an account number. SOIA will send the delegations Revenue Worksheets and Expense Reimbursement Forms. A monthly statement reflecting the accounts current balance will be sent to the delegations.

CENTRALIZED ACCOUNT INACTIVITY DUE TO DELEGATION TERMINATION OR LACK OF ATHLETE PARTICIPATION

If any Centralized Account has had no activity for a 12-month period, it will be classified as “inactive.” Any “inactive” Centralized Account Delegation Manager will be notified and any remaining funds may be transferred to the Area Director account. The Area Director and Regional Field Director will be responsible for the review of “inactive” accounts and subsequent communication to/with current account holders.

SPECIAL OLYMPICS ACCIDENT INSURANCE COVERAGE

All incidents should be reported within 24 hours of the incident to SOIA, using the Special Olympics Accident/Incident Report Form found in *Section 9 – GENERAL FORMS*.

For Special Olympics Corporate Insurance Program inquiries please contact the State Office.

CERTIFICATE OF INSURANCE

Please submit all facility use contract and agreements and Certificate of Insurance requests to Rhonda Schwarzkopf at rschwarzkopf@soiowa.org. Contract and agreements with any insurance verbiage must be approved by American Specialty before they can be signed by the State Office. Please contact Rhonda with any questions.

Contract and agreements and certificate requests should be submitted one week prior to the start date of the event.

DELEGATION AREA REALIGNMENT

The following criteria will be taken into consideration by the State Office before approval of any delegation moving to another area.

- Opportunities for athletes
- Divisioning to ensure fair competition
- Adding athletes to venues that are already full
- Equipment
- Fundraising
- Management teams
- Obtaining facilities
- Paperwork
- Training
- Volunteers

LOGO GUIDELINES FOR SPECIAL OLYMPICS

Every person involved in the Special Olympics movement may play a part in aligning and strengthening the brand around the world. Guidelines as well as a comprehensive suite of tools, messaging materials and templates are available for download on the [Resources site for Special Olympics](#).

The brand guidelines present a fresh approach to recognizing the sub-program (county/area/provincial/club level) of the movement that helps elevate the profile of the local delegation/team/club.

Collateral (letterhead, stationary, brochures, and newsletters): Use the SOIA logo and place your sub-program name elsewhere in the document with text.

Uniforms/T-shirts: See the “T-shirts’ section of the [Special Olympics Brand Identity Guidelines](#) for examples of how to implement sub-program recognition.

When to use team/club level designs and when to use the SOIA logo?

The team/club level designs are to be used only at the specific level of the organization. The SOIA logo is to be used in all other applications. This is the only official logo of SOIA and its sub-programs.

How should sub-programs be presented in text/copy form?

For sub-program self-reference or identification, the SOIA name should come first, followed by the sub-program name, with a hyphen or comma between the two. *Examples:* “Special Olympics Iowa – Muscatine” or “Special Olympics Iowa, Muscatine.”

If you have any questions about the logo guidelines, T-shirt designs or other issues related to branding, please contact the State Office Marketing and Communications Manager.

UNIFORMS & BANNERS

In order to avoid commercial exploitation of persons with intellectual disability, no uniforms, bibs or other signs bearing competition numbers, that are worn by Special Olympics athletes during any competition or during any opening or closing ceremonies of any games may be emblazoned with commercial names or commercial messages. The only commercial markings that may be displayed on athletes uniforms during Games competitions and Opening and Closing Ceremonies are the normal commercial markings of the manufacturer.

Volunteers may wear clothing that bears small and attractively designed names or logos identifying corporate or organizational sponsors while attending Games competitions, so long as those displays do not exceed an area of six square inches or its metric equivalent.

POLAR PLUNGE REVENUE SHARING GUIDELINES

As identified in the SOIA strategic plan, program growth (number of athletes and opportunities for local competitions) is dependent on local fundraising supported by the State Office. SOIA will continue offering profit sharing with the areas. Profit sharing allows for delegations to receive no more than 100 percent of what they raise with a maximum of 18 percent of the net proceeds.

Example:

- XYZ Plunge raises a total of \$20,000 then \$3,600 (18 percent) of \$20,000 would be available for distribution
 - If two delegations participate:
 - Delegation A raises \$1,500 and Delegation B raises \$2,000 each delegation will only be eligible for 100 percent of the amount they raised
 - If five delegations participate:
 - Delegation A, B, C, D, and E raise \$1,000 each, a total of \$3,600 (18 percent of \$20,000) would be available for disbursement based on the delegation's application form

Requirements:

- Area/Delegation must participate in the Plunge
- Area/Delegation must have Special Olympics athletes in attendance at the Plunge. Athletes serve as greeters, speakers, and/or plungers. If an athlete would like to receive a Polar Plunge T-shirt, they must register and raise registration fee
- A minimum of \$750 must be raised for any team to be considered for, or participate in, the program
- The maximum amount that any individual team may earn is 100 percent of funds raised on a per team basis
- 18 percent of the net proceeds go back to area from any given plunge with the maximum number of total dollars available after revenue minus expenses
- The University of Iowa and Iowa State University Greek Plunges are not eligible for the Revenue Sharing Program
- The Revenue Sharing application (**Section 9 – GENERAL FORMS**) must be submitted to Jeanette Steinfeldt no later than 30 days following the Plunge; a committee at the State Office will review all applications and funds should be deposited into the area/delegation centralized account within 120 days of the date of the plunge

Sponsorship Opportunities:

- If an area/delegation secure sponsorships of \$1,000 or above, 50 percent of the funds go directly into the area/delegation centralized account and 50 percent goes to the State Office. If the sponsorship is renewed in subsequent years, the 50/50 allocation will remain in effect. ****These funds do not count toward the area/delegation funds raised as related to Revenue Sharing***
- Prior solicitation approval must be obtained from SOIA office; please contact Jeanette Steinfeldt at jsteinfeldt@soiowa.org with any questions or to gain approvals

FIFTEEN-PASSENGER VAN TRANSPORTATION NOTICE

Special Olympics delegations are prohibited from using 15-passenger vans to transport athletes or other individuals to or from Special Olympics events, and Special Olympics strongly discourages other organizations from using 15-passenger vans to transport people to or from Special Olympics events.

Special Olympics recognizes that it is up to each non-Special Olympics organization to determine whether to use 15-passenger vans. By using 15-passenger vans, a non-Special Olympics organization understands that:

1. Anyone operating a 15-passenger van owned by a non-Special Olympics organization for the purpose of transporting Special Olympics athletes or other persons to or from Special Olympics activities is acting as the employee or volunteer of the organization and not on behalf of Special Olympics
2. The driver's operation of the 15-passenger van will be considered to be in the course and scope of the driver's employment for or volunteer responsibilities for the non-Special Olympics organization, and not for or on behalf of Special Olympics
3. Non-Special Olympics organizations which operate 15-passenger vans should comply with the applicable safety standards promulgated by the National Highway Traffic Safety Administration (NHTSA)

SPECIAL

PROGRAMS

ATHLETE LEADERSHIP PROGRAMS

SOIA offers athletes a program that goes beyond competition and training. It is called Athlete Leadership Programs (ALP). There is a special Athlete Leader Contract and Mentor Contract that the athlete and Speech coach will need to fill out to participate. Please note that this Athlete Leader Contract is different than the one athlete's sign to participate for competition. Go to [Athlete Leadership Programs](#) on the SOIA website. SOIA offers a yearly Athlete Leadership Conference. The Athlete Leadership Conference consists of a 1½ day training where athletes are placed into three groups:

1. New Global Messengers - athletes learn how to write speeches as well as learn techniques on delivering a speech. Each athlete has a speech coach and together they work to put the athletes' thoughts and experiences about Special Olympics on paper. Athletes in this program gain confidence, grow in self-esteem, and gain valuable everyday skills beneficial to life outside of Special Olympics.
2. Experienced Global Messengers - athletes learn leadership skills so they may become leaders in the Special Olympics movement. Through instruction, athletes practice forming and articulating opinions and techniques for gathering input. Equally important is the enhancement of awareness and listening skills of volunteers, staff, and family members as they interact with athletes as peers during this training.
3. Advanced Global Messengers - athletes that have completed the above two sessions will choose between classes that will enhance the work they are already doing. These classes will be developed each year based on the input from the athletes on what areas they would like to grow more in.

KATHY IRVING CHALLENGE DAYS

[Challenge Days](#) is a one day event that has been designed specifically for the severe and profound population as well as our aging population who are unable to compete in a rigorous program using objective and universal sports rules. Due to the need to offer more activities to these individuals, it has been a goal of SOIA to expand on our motor skills programs. Challenge Day introduces team sports adapted for this specific population and gives these individuals the opportunity to experience success and joy – just as their peers.

Registration forms for athletes and volunteers are available on the website.

SPECIAL OLYMPICS HEALTHY ATHLETES® PROGRAM

The mission of Special Olympics [Healthy Athletes®](#), developed in 1996, is to improve athlete's ability to train and compete in Special Olympics. Healthy Athletes is designed to help Special Olympics athletes improve their health and fitness, leading to enhanced sports experience, and improved well-being.

During a Healthy Athletes event, Special Olympics athletes receive a variety of health screenings and services in a series of clinics conducted in a welcoming and fun environment. Health care professionals and students are trained to provide the screenings in an effort to educate the professional community about the health needs and abilities of persons with intellectual and developmental disabilities.

The Healthy Athletes Initiatives are:

FIT FEET

Many Special Olympics athletes suffer from foot and ankle pain or deformities that impair their performance. Athletes are not always fitted with the proper shoes and socks for their particular sport. Volunteer health care professionals will be screening athletes' feet and ankles for deformities as well as checking for infections, nail care, and proper shoes and socks.

FUNFITNESS

FUNfitness is the comprehensive physical therapy component of the Special Olympics Healthy Athletes initiative. FUNfitness is designed to assess and improve flexibility, functional strength, and balance; to educate participants, families, and coaches about the importance of flexibility, strength, and balance; and to provide hands-on opportunity for participants to learn about physical therapy. Each athlete is given specific guidelines to help them strengthen muscles that might be weak and need strengthening to better compete.

HEALTHY HEARING

The purpose of Healthy Hearing is to screen the hearing of athletes and notify athletes and their coaches if follow-up care is needed.

HEALTH PROMOTION

Venues empower and motivate athletes to make healthy lifestyles choices that will improve their long-term health by using interactive educational games and literature. Athletes are offered guides for healthy eating, lifestyle choices, and fun ways to increase physical fitness as well as information on topics such as tobacco avoidance, sun safety, and skin care. Each athlete may have a Got Milk? picture taken.

MEDFEST

Medfest is a Special Olympics Healthy Athletes screening program that facilitates the required standard sports physical examination for current and prospective Special Olympics athletes. The Special Olympics General Rules requires that all athletes who want to participate in Special Olympics must be examined by a physician or trained medical professional. The physical examinations at Medfest are conducted by volunteer medical professionals and are free to current and prospective athletes.

OPENING EYES

Objectives of Opening Eyes includes providing screenings to Special Olympics athletes and educating athletes, parents, and coaches about the important of regular eye care. Athletes needing glasses will receive free eyeglasses and those who do not need glasses receive free sunglasses.

SPECIAL SMILES

The purpose of Special Smiles is to increase access to dental care for Special Olympics athletes, as well as all people with intellectual disabilities. Dental screenings are used as a means to increase awareness of the state of the athlete's oral health for the athletes themselves, as well as their parents and/or caregivers. The athletes are provided with hygiene education to help ensure they are doing an adequate job of brushing and flossing, as well as nutritional education to understand how their diet affects their total health.

UNIFIED CHAMPION SCHOOLS

Special Olympics Unified Champion Schools (UCS) model is a school-based initiative that has been developed to allow opportunities of social inclusion for all students, both with and without intellectual disabilities. The main goal of the UCS model is to create inclusive school communities. The students are the driving force in this program – physically, academically, and socially.

The diverse activities of the UCS model can be grouped into three major components: **Inclusive Sports, Youth Leadership, and Whole-School Engagement**. More information may be found on the [Unified Champion Schools](#) page of our website.

Special Olympics Colleges

- Special Olympics Colleges function as official clubs on campus and connect college students and individuals with intellectual disabilities (Special Olympics athletes) through sport to build friendships and build campuses of respect and inclusion. The participating Special Olympics athletes are students on campus with intellectual disabilities and athletes from local community based programs.
- Much like a Unified Champion School, a College Club works to achieve three main components: Unified Sports, Youth Leadership, and Whole-School Engagement.

UNIFIED SPORTS®

This Special Olympics program represents the first organized effort in history to combine individuals with intellectual disabilities and those without as participants on the same sports team. Unified Sports® is an important program because it expands sports opportunities for athletes seeking new challenges and dramatically increases integration in the community. Unified Sports develops sports skills through quality training and competition, the program fosters group participation and spirit, cooperation, socialization, and a sense of belonging.

Unified Sports is a unique and important program because it:

- Integrates athletes with and without intellectual disability in a setting where all athletes are challenged to improve their skill
- Provides a valuable sport opportunity to individuals with intellectual disability who are not presently involved with Special Olympics, especially those in communities where there are not enough Special Olympics athletes to conduct team sports
- Increased public awareness of the spirit and skills of individuals with intellectual disability
- Enables the families of Special Olympics athletes to participate as team members or coaches on Unified Sports teams
- Enables athletes to develop friendships and an understanding of each other's capabilities through a spirit of equality and team unity

Unified Sports Day

Unified Sports days are designed to increase awareness and opportunities for Unified recreation participation. Events are held at high schools, colleges, and universities across the state throughout the year. Athletes participate alongside Unified Sports partners in a number of recreational activities throughout the event. The events are designed to increase socialization and provide a fun day of recreation participation and are not considered a competition. Delegations can register athletes to attend these one-day events, at no cost to the athlete. For an opportunity near you, check our [schedule of events](#). More information can be found on our website at <http://www.soiowa.org/special-programs/unified-sports/>.

Unified Sports Teams

Unified Sports teams may compete in Special Olympics Iowa team sporting events. When registering for Unified Sports teams, please ensure that Unified team is selected on the entry forms. Teams will be placed in divisions with other Unified teams. Your team roster must consist of equal numbers of Special Olympics athletes and Unified Sports partners. All Special Olympics athletes must have a current Medical Form on file at the SOIA State Office. Unified Sports partners 17 and under need a Participant Release Form and Unified partners over 18 must have a current [Class A Application](#) on file at the SOIA State Office. Teams should practice for eight to 10 weeks prior to their first competition.

SOIA currently offers competitive Unified Sports teams in athletics relays, swimming relays, basketball team, bocce, bowling, cheerleading, cycling, figure skating, flag football, golf, ice skating relay, roller skating relay, snowshoeing relay, soccer team, softball team, tennis, and volleyball. More information can be found on the [Unified Sports](#) page of our website.

YOUNG ATHLETE PLAY DAY

The [Young Athlete Play Day](#) program is designed for children with intellectual disabilities who are two to seven years old. The Play Activity Day is a wonderful introduction to Special Olympics. Children participate in 11 different activities, representing sports offered by Special Olympics. Children do not compete during the program, but rather play and enjoy the games and activities. The program helps increase the young children's strength and coordination for sports while introducing the children to group play and the cooperation and awareness of rules that it requires. At the completion of the event, each child receives an award and is recognized for his/her achievements. The entire program takes about 2½ hours. Activities include:

- Ball Darts
- Bocce Skills
- Dance/Ribbon Routine
- Basketball Shooting
- Soccer Kick
- Batting
- Standing Long Jump
- Tennis Ball Throw
- Ramp Bowling
- 25 Foot Dash
- Obstacle Course

Each athlete is required to submit a [Participate Release Form](#) to participate (A Spanish Young Athlete Play Day Release Form is available on SOIA website).

COMPETITIONS,

GAMES

&

TOURNAMENTS

DELEGATION MANAGER RESPONSIBILITIES AT COMPETITIONS, GAMES & TOURNAMENTS

- Serve as a liaison between the delegation, Area Director, and State Office
- Provide ongoing communication with the Area Director, State Office, delegation volunteers including coaches, chaperones, athletes and athlete families and/or staff
- Complete and submit all forms in full (Special Olympic Iowa Release & Medical Form, Delegation Manager Form, registration materials, etc.)
- Ensure proper supervision of all athletes at all events (1:3 ratio/one Class A volunteer for every three athletes)
- Ensure all competition materials are distributed throughout the delegation as needed (coaches, chaperones, volunteers, and family members)
- Inform the Area Director or State Office of any scratches
- Submit Class A Volunteer applications 30 days prior to an event to the State Office and distribute credentials to volunteers when received
- Keep accurate records of Special Olympic Iowa Release & Medical Form and bring to events
- Ensure SOIA guidelines regarding fundraising and use of centralized accounting system

GENERAL PRACTICE AND RULES

- **No late entries will be accepted! SOIA will not accept late entries or incomplete forms**
 - **At competition events, no additions or corrections can be made. Only scratches will be accepted. Please review your delegation report as soon as possible and contact the Area Director or State Office with corrections or updates**
- Athletes must have a current Special Olympic Iowa Release & Medical Form on file with the State Office prior to training or competition
 - Athletes are not registered with SOIA until their release & medical form is on file with the State Office
- Athletes are to practice at least eight weeks or 10 hours prior to a competition. Athletes are to know and understand the specific sport rules, develop the skills needed for the sport(s) they participate in and be physically and mentally prepared for competition
- **Athletes may participate in one sport per day**
 - **Athletes may participate in one or two events within a sport (if applicable) and a relay within the sport when offered**
- All required registration materials must be submitted to the appropriate Area Director or State Office prior to the deadline date. Entry/registration materials include the specific competition form, Class A Coach/Volunteer roster, any other miscellaneous forms required by the Area Director, Registration Summary Form, Housing Assignment Form (if applicable), and any other miscellaneous forms required by the State Office
- Check with your Regional Director or State Office with any questions regarding upcoming local, area, conference, or state competitions
- Special Olympics sports training and competition may be conducted only by or under the auspices and direct supervision of SOI, an Accredited Program, or a GOC. No Accredited Program may permit or engage any third party to conduct or organize any Games, Tournaments or Special Olympics training event for or on behalf of that Accredited Program
- Rules for Official Sports - SOI has the ultimate authority to determine what rules will govern the conduct of training and competition in a particular Official Sport. All such rules shall be published in the SOI Sports Rules and disseminated to all Accredited Programs. You can find coaching resources, competition guides, and sports rules on SOI's website at http://www.specialolympics.org/Sections/Sports-and-Games/Sports_and_Games.aspx
- International Sports Federations (ISF) - Accredited Programs and GOC's shall follow the rules for specific sports which are issued from time to time by the ISF, as provided in Section 2.12

USE OF THE METRIC SYSTEM

- All Special Olympics competitions shall be conducted using the metric measurement system
- Since most of the existing pools in Iowa are not metric pools, swimming events will be conducted in yards

WEATHER GUIDELINES

If inclement weather occurs on a Special Olympics Iowa area or state competition day, the Area Director or Event Manager, with consultation with Special Olympics Iowa State Office, will make a decision concerning canceling or postponing events that day.

- Depending on the event, the Area Director and State Office will determine the method for advancing athletes onto the state competition. No area award ribbons will be given
- If a state event is cancelled Delegation Managers will receive Certificate of Achievement for their registered athletes and Unified Sports partners

 - Athletes and/or Unified Sport partners will not have one-on-one supervision
 - Athletes and/or Unified Sport partners must function as part of a team, including group living and follow coaching instructions from unfamiliar coaches

DIVISION GUIDELINES

- The primary focus of divisions is to provide quality, fair competition experiences for the athletes and Unified Sports partners using ability as the primary divisioning factor. Gender and age are secondary factors
 - When possible, less than a 20 percent spread within abilities within a division is used
- There may be divisions of one or two athletes with extremely high or low scores
- The goal, according to SOI division guidelines is to have three to eight athletes/teams in a division
- Special Olympics division guidelines state that the age groups for divisions are:
 - 8-11
 - 12-15
 - 16-21
 - 22-29
 - 30-50
 - 51+ (created by SOIA)
- Special Olympics division guidelines allow for the combining of individuals in consecutive age groups and/or gender into the same division if their ability levels are similar enough to provide fair and equitable competition
 - Alpine Skiing
 - Basketball Skills
 - Bocce Skills
 - Bowling
 - Cross Country Skiing
 - Cycling
 - Equestrian
 - Flag Football Skills
 - Golf – Unified
 - Roller Skating
 - Snowshoeing

- Soccer Skills
- Softball Skills
- Speed Skating
- Swimming
- Tennis and Tennis Skills
- Combination of gender and/or consecutive age groups may occur when very low participation numbers exists in order to provide quality, competitive competition. When possible, sports that are **generally not** combined are:
 - Athletics
 - Figure Skating
 - Gymnastics

Sport that does not allow, per the rules, for the combining of genders is:

 - Power Lifting
- The age groups for team sports and relays differ slightly from individual sports and are as follows:
 - Athletics
 - 8-15
 - 16-21
 - 22+
 - Swimming Relays:
 - Junior (8-15)
 - Senior (16+)
 - Roller Skating, Snowshoe, Soccer Team, and Speed Skating
 - Open
 - Basketball Team, Bocce, Cheerleading, Flag Football, Softball Team, and Volleyball:
 - Junior (8-21)
 - Senior (22+)
- Relay Categories
 - Co-ed – two female and two male
 - Female – four female
 - Male – four male, one male and three female, or three male and one female

INFORMATION

ALPINE SKIING (DOWNHILL)

No qualifier required for state competition

Specific Division Age Requirements - Special Olympics division guidelines allow for the combining of individuals in consecutive age groups and/or gender into the same division if their ability levels are similar enough to provide fair and equitable competition.

Entries:

- Athletes may register for up to two individual competitive events during Alpine Ski competition. Athletes can choose to partake in the Alpine Ski Clinic should they be interested in improving their skills (athletes cannot be registered in any other alpine ski events)
- Please register new or inexperienced skiers in the clinic rather than downhill events
- Sundown Mountain requires a waiver for all athletes, coaches, chaperones and volunteers in order to participate. The waiver will be on the [Winter Games](#) page

Events:

- Giant Slalom (Beginner, Intermediate, and Advanced levels)
- Slalom (Beginner, Intermediate, and Advanced levels)
- Super Glide
- Clinic Glide
- Clinic (Non-competitive ski clinic for new and/or inexperienced athletes)

Athletes participating in Giant Slalom and/or Slalom Race Events should be rated as Beginner, Intermediate, or Advanced. Please review the following chart for rating purposes.

Alpine Skiing		
Beginner (Type I) Bunny Hill & Sunshine Run	Intermediate (Type II) Green Run	Advanced (Type III) Black Run
<ul style="list-style-type: none">• Ski conservatively• Prefer slower speeds• Prefer easy, moderate slopes• Favor lower than average release/retention settings - this corresponds to an increased risk of inadvertent binding release in order to gain increased release ability in a fall• Type I settings apply to entry-level skiers uncertain of this classification	<ul style="list-style-type: none">• Ski moderately• Prefer a variety of speeds• Ski on varied terrain, including most difficult trails	<ul style="list-style-type: none">• Ski aggressively• Normally ski at high speeds• Prefer steeper and more challenging terrain• Favor higher than average release/retention settings - this corresponds to decreased release ability in fall in order to gain a decreased risk of inadvertent binding release

Rules:

- The Official Special Olympics Sports Rules for Alpine Skiing shall govern all Special Olympics competitions and are based upon Federation Internationale de Ski (FIS) rules for Alpine Skiing found at <http://www.fis-ski.com/>. FIS or National Governing Body (NGB) rules shall be employed except when they are in conflict with the Official Special Olympics Sports Rules for Alpine Skiing. In such cases, the Official Special Olympics Sports Rules for Alpine Skiing shall apply. The

Special Olympics Alpine Skiing Rules can be found on the [Winter Games](#) page of our website

- Per Special Olympics Rules competition in the Slalom and Giant Slalom will consist of two timed runs. The combined times of each run will determine the results for awards

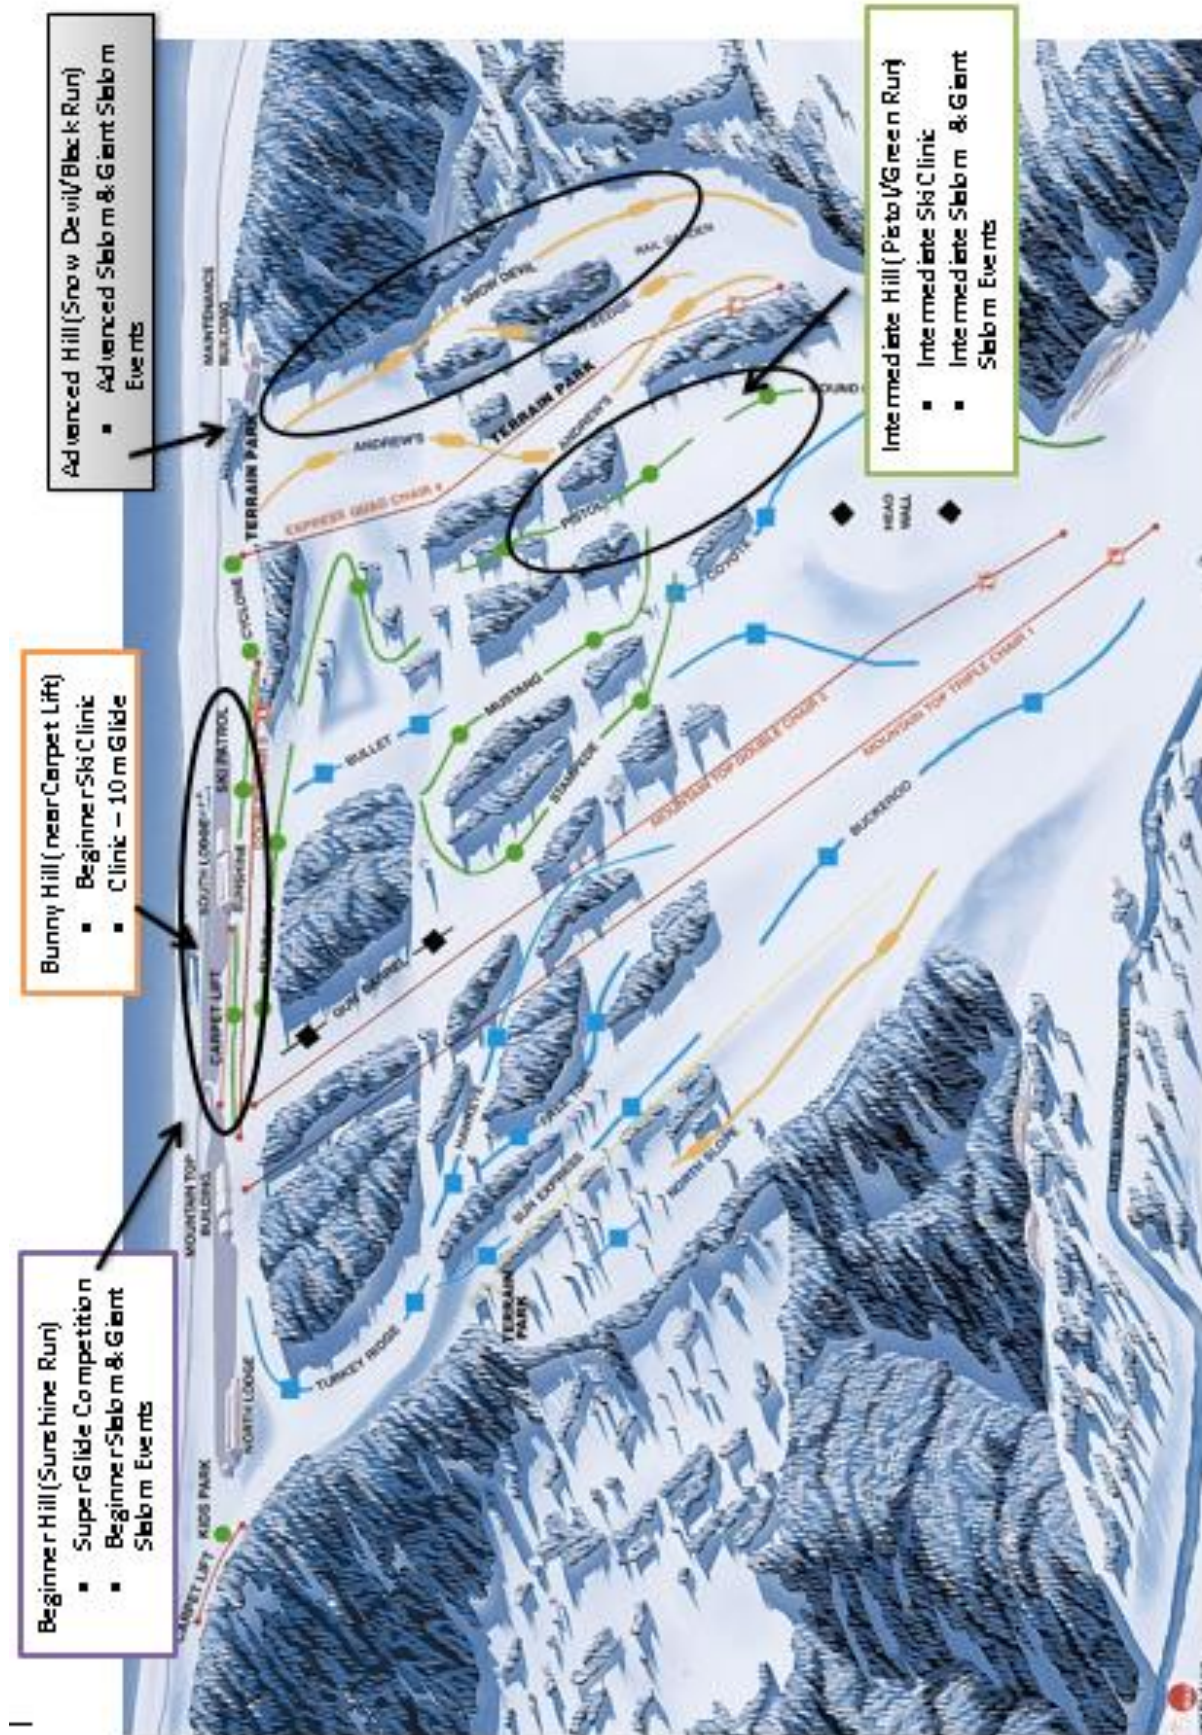

Equipment:

- A ski helmet is required for all alpine ski events and ability levels including the Ski Clinic. Helmets are available for rent, at no cost during Winter Games, through the Sundown Mountain Resort
 - In order to improve safety, the USSA Alpine Sports Committee has confirmed that the regulations requiring the use of helmets for Giant Slalom, Super – G and Downhill that meet new FIS standards will be mandatory
 - Per Special Olympics, Inc. the new FIS helmet certification standards will be phased in during the 2017 – 2018 and 2018 – 2019 alpine ski seasons
 - USSA “Ski Helmet Regulations” are available at <http://ussa.org/alpine-programs/masters/rules>
 - Under the new regulations, helmets must bear a CE mark and conform to recognized and appropriate standards such as CEH.Din 1077, ASTM F2040, SNELL S98 or RS 98
 - A conformity label must be affixed to the helmets by the manufacturer in a non-removable way, at the back of the helmet, in a position where it is not covered by the goggle strap. The conformity label must contain the text “Conform to FIS Specifications RH 2013
 - Helmets must cover the head and ears. Helmets with spoilers or edges that stick out are not permitted. Protective features, such as chin guards on SL helmets are permitted. Soft ear protection is only permitted for helmets used in SL
 - Helmet mounted cameras are not allowed on helmets during official training or competition
- Whenever possible, athletes should provide their own ski helmets, skis, and poles. However, alpine skis are also available for rent, at no cost during Winter Games, through the Sundown Mountain Resort. Guidelines for ski length are below:

Choosing Ski Length Made Easy		
Skier Weight (lbs.)	Ski Length	Notes
Less than 105	180 cm	Add five cm for fast skiing on groomed slopes. Subtract five cm for skiing mostly in bumps, slow conservative skiing, and skiers 50 and older
105 – 125	185 cm	
125 – 145	190 cm	
145 – 165	195 cm	
More than 165	200 cm	
		For children: Beginners – elbow to shoulders Intermediate – chin to head Advanced – top of head and over

Competition:

- For non-clinic events athletes should practice and know how to ski prior to Winter Games. A beginner and intermediate clinic is available for athletes interested in learning to ski or gaining additional skills to participate in SOIA Alpine Skiing events. Please register new or inexperienced skiers in the clinic rather than downhill events
- Athletes must complete both runs at the competition to receive an award

Rules:

- United States Athletic Rules shall govern the competition with the exception of the false start rule. Rules can be found on the [Summer Games](#) page of our website

Competition:

- Athletes may enter up to two individual events and a relay
- Athletes in the Pentathlon may also participate in a relay
- An athlete may participate in one throwing event and one jumping event
- If both of the athlete's events are scheduled at the same time or one is running late, report to one of the staging areas that the athlete will be late
 - If an athlete arrives after their division has competed and they **did not** report to the staging area, the athlete **might** be able to participate for a **participation ribbon only**
 - If an athlete arrives after their division has competed and **did** report to the staging area, the athlete may compete and receive the appropriate award
- Running events take precedence over field events
- Relays consist of four athletes or two athletes and two Unified sport partners. If one athlete or Unified sport partner is unable to compete the day of competition, then he/she may be replaced with another athlete or Unified partner so long as the category does not change
 - For example: junior female relay must stay a junior female relay
- The substituted athlete must already be competing in the sport at the competition

General Guidelines:

Athletics

- Athletes who receive assistance from any person may be disqualified, excluding the 25M Walk with Me event. Assistance includes pacing by anyone not participating in the race or through any kind of technical device. This includes the developmental events
- In **all** the 50M, 100M, 200M, and 400M events each athlete must keep in his/her allotted lane from start to finish. If he/she is judged to have run out of their lane or impedes another athlete, he/she may be disqualified. Warnings may be given to athletes without disqualification
- 200M and 400M run and walk – use a staggered start
- 800M – runner will run in the lanes through the first turn as far as the nearer edge of the break line where athletes may leave their respective lanes
- 1500M, 2K – use a waterfall start
- **No cleats or spikes may be worn at area and state events**
- NO RUNNING during any walking event
- Race Walking is a progression of steps so that unbroken contact with the ground is maintained. The advancing foot must make contact with the ground before the rear foot leaves the ground

- Softball throw – athletes throwing over the distance of 30 meters will be asked to transition to the Mini Javelin or Shot Put or choose another track and field event
- Shot put – the shot is put from the shoulder with one hand only. At the time the competitor takes his/her stance in the ring to start the put, the shot shall touch or be in close proximity to the chin, and the hand not dropped below this position during the act of putting. The shot may not at any time be brought behind the line of the shoulder
- Standing Long Jump – an athlete is required to use both feet on the take-off. He/she may rock backward and forward lifting his/her heels and toes alternately, but he/she may not lift either foot clear off the ground
- Running Long Jump – the athlete must lead off the ground with one foot
- Field Events should be three nonconsecutive attempts

Developmental Events

- Developmental events are open only to athletes with low motor ability and who are, therefore, unable to participate in traditional Special Olympics events
- If an athlete completes the 25M Walk in less than 12 seconds, it is recommended that the athlete participate in the 50M Walk
- If an athlete can throw a tennis ball 10 meters or more, it is recommended that the athlete participate in the softball throw
- Delegation should take into consideration the state schedule and event locations to avoid event conflicts

BASKETBALL SKILLS

Area competition required to qualify for state competition

Specific Division Age Requirements

Special Olympics division guidelines allow for the combining of individuals in consecutive age groups and/or gender into the same division if their ability levels are similar enough to provide fair and equitable competition.

Entries:

- Entry score for the athlete should be their best effort time/score

Events:

The athletes may choose to participate in **one** of the following events:

- Speed Dribble (Developmental, assisted and unassisted)
- Basketball Skills Level I

Rules:

- The Official Special Olympics Sports Rules for Basketball shall govern all Special Olympics competitions. As an international sports program, Special Olympics has created these rules based upon Federation Internationale de Basketball (FIBA) rules for basketball found at <http://www.fiba.com>. FIBA or NGB rules shall be employed except when they are in conflict with the Official Special Olympics Sports Rules for Basketball. In such cases, the Official Special Olympics Sports Rules for Basketball shall apply. The Special Olympics Basketball Rules can be found on the [Mid-Winter Tournament](#) page of our website
- The Special Olympics Iowa Basketball Skills Committee will make all final decisions

Competition:

- Basketball Skills use a regulation size ball and hoop height
 - 8-11 year old athletes may use an eight foot (if available) basket and the smaller Girls High School size basketball
- Developmental Speed Dribble and Basketball Skills event descriptions to follow

Developmental Speed Dribble

- Equipment
 - Measuring tape
 - Floor tape or chalk
 - One basketball (for women's and junior division competitions a smaller basketball which is 72.4 centimeters [28½ inches] in circumference and between 510–567 grams [18–20 ounces] in weight may be used)
 - Stopwatch
 - Counter
 - Whistle
- Set-up: Mark a circle with a 1.5 meter (4 feet 11 inches) diameter

Unassisted Rules:

- Athlete may use only one hand to dribble
- Athlete must either be standing or be sitting in a wheelchair or another type of chair with similar dimensions while competing
- Athlete starts and stops dribbling at the sound of the whistle
- There is a 60-second time limit imposed. The objective is to dribble the ball as many times as possible during this period
- Athlete must stay in the designated circle while dribbling
- If the basketball rolls out of the circle, it may be handed back to the athlete, who continues to dribble
- Scoring
 - Athlete receives one point per legal dribble within the 60 seconds
 - Counting stops and the event ends if the basketball rolls out of the circle for the third time

Assisted Rules

- Only for athletes that need assistance in maintaining a continued dribble.
- Volunteer holds the ball at chair level and the athlete pushes ball towards the floor. Volunteer retrieves ball and action is repeated.
- Scoring
 - Athlete receives one point per assisted dribble within the 60 seconds

Basketball Skills Level One:

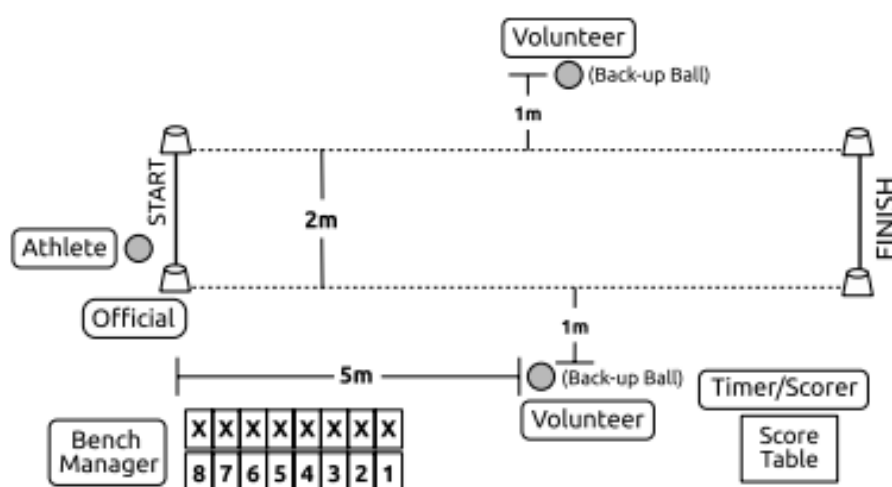

Three events make up Level 1 Individual Skills Competition: Target Pass, 10-Meter Dribble and Spot Shot. The athlete's final score is determined by adding together the scores achieved in each of these three events. Athletes will be in a division according to their total scores from these three events. Each event is diagrammed with the suggested number and placement of volunteers who will administer them. It is also suggested that the same volunteers remain at an event throughout the competition so that consistency is provided.

Event #1: Target Pass

- Purpose: to measure an athlete's skill in passing a basketball
- Equipment
 - Two basketballs (for women's and junior division competitions, a smaller basketball of 72.4 centimeters [28½ inches] in circumference and between 510–567 grams [18–20 ounces] in weight may be used as an alternative), flat wall, chalk or floor tape, and measuring tape
- Description
 - A one-meter (3 feet 3½ inches) square is marked on a wall using chalk or tape. The bottom line of the square shall be one meter (3 feet 3½ inches) from the floor
 - A three-meter (9 feet 9 inches) square will be marked on the floor 2.4 meters (7 feet) from the wall. The athlete must stand within the square. The leading wheel axle of an athlete's wheelchair may not pass over the line. The athlete is given five passes
- Scoring
 - The athlete receives three points for hitting the wall inside the square
 - The athlete receives two points for hitting the lines of the square
 - The athlete receives one point for hitting the wall but not in or on any part of the square
 - The athlete receives one point for catching the ball in the air or after one or more bounces while standing in the box
 - The athlete receives zero points if the ball bounces before hitting the wall. The athlete's score will be the sum of the points from all five passes

Event #2: Ten-meter Dribble

3.1–4 = 26 pts.
4.1–5 = 24 pts.
5.1–6 = 22 pts.
6.1–7 = 20 pts.
7.1–8 = 18 pts.
8.1–9 = 16 pts.
9.1–10 = 14 pts.
10.1–12 = 12 pts.
12.1–14 = 10 pts.
14.1–16 = 8 pts.
16.1–18 = 6 pts.
18.1–20 = 4 pts.
20.1–22 = 2 pts.
22.1 and over = 1 point

- Purpose: to measure an athlete's speed and skill in dribbling a basketball
- Equipment
 - Three basketballs (for women's and junior division competitions, a smaller basketball (size 6) of 72.4 centimeters (28½ inches) in circumference and between 510–567 grams (18–20 ounces) in weight may be used as an alternative), four traffic cones, floor tape or chalk, measuring tape and a stopwatch
- Description
 - The athlete begins from behind the start line and between the cones
 - The athlete starts dribbling and moving when the official signals
 - The athlete dribbles the ball with one hand for the entire 10 meters (32 feet 9 3/4 inches)
 - A wheelchair athlete must alternate, taking two pushes followed by two dribbles for legal dribbling
 - The athlete must cross the finish line between the cones and must pick up the basketball to stop the dribble
 - If an athlete loses control of the ball, the clock continues to run. The athlete can recover the ball. However, if the ball goes outside the two-meter lane, the athlete can either pick up the nearest back-up basketball or recover the errant ball to continue the event
- Scoring
 - The athlete will be timed from the signal "Go" to when he/she crosses the finish line between the cones and picks up the basketball to stop the dribble
 - A one-second penalty will be added every time the athlete illegally dribbles (e.g., two-hand dribbles, carries the ball, etc.)
 - The athlete will receive two trials. Each trial is scored by adding penalty points to the time elapsed and converting the total to points based on the Conversion Chart
 - The athlete's score for the event is his/her best of the two trials converted into points. (In case of a tie, the actual time will be used to differentiate places)

Event #3: Spot Shot

- Purpose: to measure an athlete's skill in shooting a basketball
- Equipment
 - Two basketballs (for women's and junior divisions competitions, a smaller basketball of 72.4 centimeters [28½ inches] in circumference and between 510–567 grams [18–20 ounces] in weight may be used as an alternative), floor tape or chalk, measuring tape and a 3.05 meter (10 feet) regulation goal with backboard (for junior division competitions, a 2.44 meter [8 feet] goal may be used as an alternative)
- Description
 - Six spots are marked on the floor. Start each measurement from a spot on the floor under the front of the rim. The spots are marked as follows:
 - #1 & #2 = 1.5 meter (4 feet 11 inches) to the left and right plus 1 meter (3 feet 3½ inches) out
 - #3 & #4 = 1.5 meter (4 feet 11 inches) to the left and right plus 1.5 meter (4 feet 11 inches) out
 - #5 & #6 = 1.5 meter (4 feet 11 inches) to the left and right plus 2 meters (6 feet 6 ¾ inches) out
 - The athlete attempts two field goals from each of six spots. The attempts are taken at spots #2, #4 and #6, and then at spots #1, #3 and #5
- Scoring
 - For every field goal made at spots #1 and #2, two points are awarded
 - For every field goal made at spots #3 and #4, three points are awarded
 - For every field goal made at spots #5 and #6, four points are awarded
 - For any field goal attempt that does not pass through the basket but does hit either the backboard and/or the ring, one point is awarded
 - The athlete's score will be the sum of the points from all 12 shots

TEAM BASKETBALL 3 V 3 AND 5 V 5

Conference competition required to qualify for state competition

Specific Division Age Requirements

Junior (8-21)

Senior (22+)

Entries:

- Head coaches are to use the Basketball Skills Assessment form to determine each athlete ability level
 - Basketball Team Skill Assessment for Individuals is included with the entry forms

Events:

The athletes may choose to participate in **one** of the following **traditional or unified** events:

- 3 v 3 Development Half court (junior or senior)
- 3 v 3 Competitive Half court (junior or senior)
- 5 v 5 Full court (Male, Female or Coed)
 - Conference Basketball 5 v 5 and half-court 3 v 3 competition
 - Entries are submitted to the State Office
 - Entries must be submitted on the form provided on the [Participation Forms](#) page of our website
 - Teams will compete in a conference tournament and **must qualify** to advance onto State level competition

Rules:

- The Official Special Olympics Sports Rules for Basketball shall govern all Special Olympics competitions. As an international sports program, Special Olympics has created these rules based upon Federation Internationale de Basketball (FIBA) rules for basketball found at <http://www.fiba.com>. FIBA or NGB rules shall be employed except when they are in conflict with the Official Special Olympics Sports Rules for Basketball. In such cases, the Official Special Olympics Sports Rules for Basketball shall apply. The Special Olympics Basketball Rules can be found on the [Mid-Winter Tournament](#) page of our website
- The Special Olympics Iowa Basketball Committee will make all final decisions
- Coed 5 v 5
 - Two female athletes must be on court at all times
- Unified teams
 - Three athletes and two partners on the court
 - Each team shall have an adult non-playing coach responsible for the lineup and conduct of the team during competition

Equipment:

- Teams must use National Federation of State High School Association (NFSHSA) Basketball Equipment
- All players will wear normal basketball attire. Team shirts will be of the same solid color front and back. An identifying name may be placed horizontally on either (or on both) the front and back of the shirt
- Each team shirt shall be numbered on the front and the back with Arabic numerals of at least 20 centimeters (6-8 inches) high on the back and 10 centimeters (4 inches) high on the front and not less than two centimeters (3/4 inch) in width. All numbers are to be per NGB specifications

Competition:

General Basketball Guidelines for 5 v 5 - Officials and Their Duties

- Officials shall conduct the game in accordance with the rules
- Officials shall have the power to make decisions on any points not specifically covered in the rules
- The ball is put into play by the referee, who tosses up the ball between the two centers just above their heads; from then on, the alternate possession rule will apply
- The game shall be played in four quarters of eight minutes with an eight-minute intermission between halves
- A team will be entitled to four time-out periods of 60 seconds each during regulation play with one additional three minute time-out for overtime
- In case of injury to any player, the referee will call an official time-out not charged to either team
- In Division II and below, a player may take two steps beyond what is allowable. However, if the player scores, "travels", escapes the defense as a result of these extra steps, an advantage has been gained. A violation is called immediately
- Point of emphasis – It is a violation for a player to double dribble

Players and Substitutions

- Each team shall consist of five players. The composition of a team, including substitutes, may not exceed 10 players (team roster is 5 – 10 players)
- An initial roster must be submitted to the State Office. Any changes made during the season must be sent to the State Office
- Substitutions may be made any time the ball is dead. Substitutions will report to the scorer who will use the horn to notify the referee of the substitution

Scoring and Timing

- Scoring will follow NFSHSA Rules
- If the score is tied at the end of the second half, play shall continue without change of baskets for an extra period of three minute stop time until the score is no longer tied. Overtime shall start with a jump ball, and then alternate position. If the score is tied at the end of overtime, a one minute period will be played with a jump ball starting play
- Fouls - Athletes will only shoot free throws in technical fouls or if fouled when in the act of shooting. In addition to technical and in the act of shooting fouls we will be using the bonus shots. One and One free throws are allowed after six team fouls. After 10 team fouls, two shots will be allowed
- Three point shot is legal and will count

Officiating 3 v 3 Basketball Divisioning Guidelines

- Games are 20 minutes or 20 points, all field goals are two points. No foul shots will be taken. If a player is fouled and makes the shot, they retain possession
- Start the game by flipping a coin, no jump ball
- Throw-in spot is at top of the key, all play starts at this point. On every new possession the player needs to clear the ball or a foot behind the foul line, if not, a violation occurs and the ball goes to the other team
- Each team is allowed two, one-minute time-outs
- The clock will stop in the last minute of play for any dead ball situation
- Overtime will consist of a three minute overtime, with a flip of the coin for possession
- Out of bounds is the half court line, the sideline and end line
- A player can't score a basket for the other team
- You will do a lot of coaching and make very few violation calls. Don't call too many fouls unless they are blatant. 3 v 3 competition should be called like a Division II Male Team

Half-Court Basketball 3 v 3 Competition

The Goal

- Half-court basketball may be used as a means of increasing the number of teams for Special Olympics basketball competition
- Half-court basketball is a means of assisting athletes with lower ability levels progress to full court play
- Efforts must be made to play regulation team basketball whenever possible

Playing Area and Equipment

- Any half-court section of a basketball court may be used. The court will be bounded by the end line under the basket, two side lines, and the half-court line
- Each team must wear a uniform shirt. Team shirts shall be of the same solid color front and back. Each player shall be numbered on the front and back of the shirt with plain Arabic numbers of at 20 centimeters (6-8 inches) high on the back and 10 centimeters (4 inches) on the front and not less than two centimeters in width. All numbers are to be per NGB specifications

Players

- Team roster will have between three - five athletes
- Half-court Basketball is a game of 3 v 3. Each team must start the game with three players or forfeit the game

Scoring, Timing and Penalties

- The game will be played for 20 minutes or until one team scores 20 points. A made field goal counts two points, unless attempted from the three point goal area, when it counts three points. The exception are field goals made on courts without a marked three point line where all field goals will then count as two points
- There will be a running clock applied until the final minute of regulation play. During this time, the clock will stop for all dead ball situations (e.g. fouls, violations, field goals, and time-outs)
- The game will start with a flip of a coin for possession. There is no jump ball. All jump balls will be administered by alternate possession starting with the team that wins the flip of the coin
- The winning team is the first team to make 10 field goals (20 points) or the team with the highest score after the 20 minute game
- If overtime is required due to a tie at the end of regulation play, it will begin with a flip of a coin for possession. A one-minute intermission will follow regulation play and each overtime period. The amount of time for an overtime period is three minutes. The clock will stop during the last minute of overtime for all dead ball situations
- A foul is an infraction of the rules involving personal contact with an opponent or unsportsmanlike behavior. It is charged against the offender

- On all fouls (personal, common, technical), the offended against team will get possession of the ball at the designated spot behind the foul line extended and within the restraining circle at the top of the key. If a player is fouled in the act of shooting and makes the basket the field goal is credited. The offended against team also retains possession of the ball. In all cases, no free throws will be awarded or attempted. Fouls are tracked in 3 v 3 competitive. Players may receive a maximum of three fouls
- There are no individual or team foul limits in the developmental competition. However misconduct will result in a warning to the player and coach. Continual misconduct or flagrant and intentional fouling will result in player dismissal. Athletes competing in the Competitive 3 v 3 basketball competition will be assessed fouls. A foul limit of three will be utilized. Any athlete receiving a third foul in a game will foul out of that game
- An offensive player, including the shooter, may remain in the free throw lane for only three seconds. The penalty for his infraction is loss of possession
- A player making a throw-in shall have five seconds to release the ball. The penalty for taking more than five seconds shall be loss of possession

Officiating Team Basketball 5 v 5 Division Guidelines

- The divisions and some general guidelines for calling each division are listed below. The SOIA goal is to have consistent calling of each division

Division I Adult Male

- The game should be called as a 9th or 10th grade game. Fouls should be called from the start of the game, to set the tone. These games will be very physical. Any swearing is an automatic technical foul. Call double dribbling, traveling, and up and down as normal. Give them a break on three seconds

Division II Adult Male and Division I Junior Male

- These divisions should be called like a 6th grade game. Referees will need to do a little coaching. Tell players where to stand, point out the out of bounds lines, etc. Call most fouls but not all of them. You will see a lot of different dribbling styles. Use your discretion. Give them a couple steps on traveling as long as they don't gain an unfair advantage. Probably won't call many three seconds calls the athletes never move from the lane

Division Female Adult and Junior

- Call as a Division II Adult Male, but really watch the reaching in fouls. Won't be as physical as adult male game. You will need to do some coaching

BOCCE SKILLS

No qualifier required for state competition – Thursday competition at Summer Games

Specific Division Age Requirements

Special Olympics division guidelines allow for the combining of individuals in consecutive age groups and/or gender into the same division if their ability levels are similar enough to provide fair and equitable competition.

Entries:

- Entry form submitted to the State Office
- May enter in one of the following events
 - Skills Level 1 – 10 Feet
 - Skills Level 2 – 20 Feet
- The three closest balls from three rounds are added together for one grand total to put on entry form

Rules:

- Bocce Skills is not a sanctioned sport
- The field will be:
 - 12' x 16' for Skills Level 1 – 10'
 - 12' x 26' for Skills Level 2 – 20'
- The pallina will be placed on the proper target line for each athlete
- Each athlete will deliver the bocce balls from behind the starting line
- The bocce ball must be rolled, tossed, etc., in an underhanded style
- An athlete may use a ramp
- Each athlete will roll eight bocce balls per round (three rounds per game)
- Each athlete in the division will play a round before playing the next round
- A bocce ball that stops completely outside of the playing field will be considered a dead ball and a score of 600 cm will be given if no balls are closer to the pallina
 - Skills Level 1, if the ball goes past the 16 foot line or out of bounds a score of 600 cm is given
 - Skills Level 2, if the ball goes past the 26 foot line or out of bounds a score of 600 cm is given
- Measurements will be taken after all eight bocce balls have been rolled

- If the pallina has been hit with a bocce ball and moved, all measurements will be taken from where the pallina lies after all eight balls have been thrown

Measurements:

- All measurements will be made from the center side of the pallina to the center side of the bocce ball
- All measurements will be recorded in centimeters: example 45 cm or 156 cm.

Scoring:

- The measurements will be recorded on the bocce skills score sheet
- A game will consist of three rounds
- The total distance from the game is recorded in centimeters
- The athlete with the lowest total score after a game (three rounds) will be awarded first place and the athlete with the next lowest score will be awarded second place and so on

Senior (22+)

Gender is mixed

Entries:

- Entry form must reflect Traditional, Ramp, or Unified for teams and use of wheelchair or walker
- The modified game procedure below will provide a score that will help place the athletes in the most equitable division possible
 - Each athlete should play three modified games, called a set. The athletes should alternate from each end of the court and play the following allotted balls, the athlete should not surpass the foul line. If the pallina is moved from its mark, return it before the next bocce ball is played
 - The volunteer should place the pallina at the 30 foot line and the player should play eight balls. The volunteer will measure the closest three balls and record their distance in centimeters
 - The volunteer will then place the pallina at the 40 foot line and the player should play eight balls. The volunteer will measure the closest three balls and record their distance in centimeters
 - The volunteer will then place the pallina at the 50 foot line and the player should play eight balls. The volunteer will measure the closest three balls and record their distance in centimeters
 - Measurements will be taken from the center side of the bocce ball to the center side of the pallina for a total of nine measurements
 - All measurements are in centimeters
 - Total the nine measurements and place this number on the entry form under modified game score

The following events will be offered in bocce competition:

- Singles
- Ramp Team
 - **All** athletes use a ramp
- Traditional Team
 - Team may have up to three athletes using a ramp
- Unified Team (two athletes and two Unified Sport partners)

Rules:

- The International Federation for Bocce is Special Olympics Inc. and therefore the Official Special Olympics Sports Rules for Bocce shall govern all Special Olympics competitions. Special Olympics Bocce Rules can be found on the [Summer Games](#) page of our website
- If an athlete or Unified sport partner/team arrives after the first game has begun, they will have to sit out and forfeit the first game. The athlete or Unified sport partner/team will be allowed to play the second game
- Athletes and Unified sport partners must wear closed toe shoes during competition or they will be ineligible to play

Competition:

- Team - if one athlete or Unified sport partner is unable to compete the day of competition, the team will have two options:
 - The athlete or Unified sport partner may be replaced with another athlete or Unified sport partner so long as the category does not change and they were already registered for bocce
 - For example: junior team must remain a junior team
 - The Unified partner has a current Class A credential
 - Remove one ball from play and still have at two athletes and one Unified sport partner
- Games at competition will be 30 minutes for teams and 20 minutes for singles
- State office may have a ramp at competition to use but teams are encouraged to provide their own ramp
 - A bocce ramp may be requested from the State Office

BOWLING

Area competition required to qualify for state competition

Specific Division Age Requirements

Special Olympics division guidelines allow for the combining of individuals in consecutive age groups and/or gender into the same division if their ability levels are similar enough to provide fair and equitable competition.

Entries:

- Entry scores for the athlete will need to include an average of 10 games (minimum)

Events:

- An athlete may compete in one event. The oldest person on a team determines the age group for competition
- Ramp Assisted (RA) singles
- Ramp Unassisted (RU) singles
- Singles
- Doubles – two athletes
- Unified Doubles – one athlete and one Unified Sport partner
- Team – four athletes
- Unified Team – two athletes and two Unified Sport partners

***Ramp bowlers in doubles or team - all bowlers must use ramp to be considered a ramp division**

Rules:

- The Official Special Olympics Sports Rules for Bowling shall govern all Special Olympics competitions. As an international sports program, Special Olympics has created these rules based upon Federation Internationale des Quilleurs (FIQ) Rules as well as World Tenpin Bowling Association (WTBA). FIQ, WTBA or NGB rules shall be employed except when they are in conflict with the Official Special Olympics Sports Rules for Bowling. In such cases, the Official Special Olympics Sports Rules for Bowling shall apply. You can find the Special Olympics Bowling Rules on the [Bowling](#) page of our website
- All athletes and Unified Sport partners will play two games
- Athletes will alternate lanes except for ramp assisted and unassisted
- Athletes are responsible for providing a ramp for practice and area competition (**the State Office will provide ramps for state singles competition, athletes using ramps for doubles or teams are to provide their own ramps**)
- A ramp bowler will bowl five frames consecutively on one lane and will not alternate lanes
- Score is calculated by adding game one and game two

Competition:

- Ramp Assisted (RA) and Ramp Unassisted (RU)
 - RA – A volunteer may place the bowling ball on the ramp and **may** help position the ramp
 - RU – A volunteer may place the bowling ball on the ramp but **may not** help position the ramp. The athlete will position the ramp on his/her own
 - Two games played
- If an athlete or Unified Sport partner arrives after the first game has begun, they will sit out and receive a zero for first game. The athlete or Unified Sport partner will be allowed to play the second game
- If an athlete or Unified Sport partner leaves before the end of the game, the score is what the athlete or Unified Sport partner has at the time he/she leaves and a participation ribbon is given
- If an athlete on a doubles scratches, the other athlete is still allowed to participate
 - Score will be determined by the athlete that bowls
 - For a unified double, if the athlete scratches, the Unified Sports partner will have to scratch
 - If athlete qualifies for state competition, the doubles athlete will be moved to singles
- If an athlete on a team scratches, the team will be allowed to participate as a team of three
 - Score will be determined by the athletes that bowl
 - If team qualifies for state competition, only those that bowled at the area tournament will advance
 - If team qualifies for state competition and only two athletes participated, they will be moved to doubles
- Bowling tournament is an area tournament with the winners advancing to the State Bowling Tournament to be held in Cedar Rapids, Des Moines and Council Bluffs, typically in November
- **State Competition** – areas to bowl in specific locations
 - Cedar Rapids: East, East Central, Southeast and Northeast Areas
 - Des Moines: Central, North, North Central, and West Central Areas
 - Council Bluffs: Northwest, South Central and Southwest Areas
- There should be no smoking at the competition sites
- No coach or parent will be allowed on the lane to help their athlete

Cheer Competition

- There is no music allowed
- Pompoms, signs, and megaphones are the only props allowed
- A squad must perform two different cheers
- Having a five second pause between cheers will help judges identify where one cheer ends and the other cheer begins
- There will be two ping pong paddles available that are labeled "Cheer 1" and "Cheer 2"
- Beginner – team non-mount and non-tumble
 - Must perform at least one jump and one kick by at least one athlete
- Advanced – team mount and tumble
 - Must perform at least one jump and one kick along with at least one tumble, stunt or pyramid by at least one athlete
- Unified Team

- Time
 - The performance time includes changes in signs, pompoms and megaphones
 - Judging and timing will start with the first word
 - If you have an entrance cheer, it will count towards one of your cheers
 - Allowed three minutes

Dance Competition

- A team must perform two different dance routines to two different songs
- Sound effects are allowed but actual cheers are not
- Flags, banners, signs, pompoms, megaphones and pieces of cloth are the only props allowed. Props with poles or similar support apparatus may not be used in conjunction with any kind of stunt or tumbling. All props must be safely discarded out of harm's way (example: throwing a hard sign across the outlined competition floor from a stunt is not allowed). Any uniform piece purposefully removed from the body and used for visual effect will be considered a prop once it is removed from the body
- Beginner – Team non-mount and non-tumble
 - Must perform at least one jump and one kick by at least one athlete
- Advanced – Team mount and tumble
 - Must perform at least one jump and one kick along with at least one tumble, stunt or pyramid by at least one athlete

CROSS COUNTRY SKIING

No qualifier required for state competition

Specific Division Age Requirements

Special Olympics division guidelines allow for the combining of individuals in consecutive age groups and/or gender into the same division if their ability levels are similar enough to provide fair and equitable competition.

Entries:

- Registration forms may be found on the [Winter Games](#) page

Events:

- Athletes may register for up to two events and one relay
 - 100M
 - 500M
 - 1K

Rules:

- The Official Special Olympics Sports Rules for Cross-Country Skiing shall govern all Special Olympics competitions and are based upon Federation Internationale de Ski (FIS) rules for cross-country skiing found at <http://www.fis-ski.com/>. The Special Olympics Cross Country Skiing Rules can be found on the [Winter Games](#) page of our website

Equipment:

- Athletes can check out cross country skis and equipment, at no cost during Winter Games. However, whenever possible, athletes should provide their own equipment. Guidelines for equipment sizes are below:

Information for selection of Ski Equipment and Size				
Cross Country Equipment Conversion Needs				
Boots		Skis

FLAG FOOTBALL SKILLS

No qualifier required for state competition

Specific Division Age Requirements

Junior (8 – 21)

Senior (22+)

Entries:

- Entry score for the athlete should be their best effort time/score
- Score is determined by adding together the scores achieved in each four individual Flag Football Skills events

Events:

- Flag Football Skills

Rules:

- The Official Special Olympics Sports rules for Flag Football shall govern all Special Olympics competitions. Please contact the State Office for a copy of the Flag Football rules

Competition:

- Four events make up Flag Football Skills: Catching, Running, Throwing, and Flag Pulling

Event #1: Catching

- Purpose is to measure an athlete's catching ability
- Equipment/Supplies: one tape measure, five footballs, two cones, one clipboard, scoresheet, and pencil
- Description
 - Athlete stands between & behind two cones, five yards from an official. Cones should be 2.5 meters apart. The official throws the ball to the athlete alternating throws between the cones
 - Athlete will aggressively try to catch the ball between the cones
 - Athlete is thrown five balls
- Scoring
 - Five points for a caught ball
 - One point for a dropped ball
 - Zero points for no attempt
- Maximum score is 25
 - Example:
 - Athlete catches three passes, drops one pass, and misses one pass
 - Score = 5 + 5 + 5 + 1 + 0 = 16

Event #2: Running

- Purpose is to measure an athlete's field-running ability
- Equipment: One stopwatch, one clipboard, scoresheet, pencil, one football, and four cones
- Description

- A 30-meter straight running line is measured out with two cones two meters apart marking the start line and two cones two meters apart marking the finish line
- Athlete is timed as he/she leaves the start line and runs to the finish line carrying a football
- Five seconds is deducted for each dropped ball
- Scoring
 - Start with 60 and subtract the amount of time it took the athlete to walk/run the 30 meters
 - Athlete is given two trials, with the best score recorded
 - Example: Athlete's time to run 30 meters is 38 seconds with no dropped balls
 - Score = $60 - 38 = 22$

Event #3: Throwing

- Purpose is to measure an athlete's ability in throwing for distance & accuracy
- Equipment: two tape measures, two footballs, three marking cones, one clipboard, scoresheet, and pencil
- Description
 - 60-meter throwing line is setup
 - Athlete throws the football as far and as straight as possible down the throwing line without stepping over the restraining line
 - Athlete can take one or more steps towards the restraining line
 - If the athlete crosses the restraining line, he/she can have a repeat throw
- Scoring
 - Mark the spot where the ball lands. Record the measurement on the throwing line that is perpendicular to the spot where the ball landed. Measure the distance from the throwing line to the spot where the ball landed. Subtract this distance in meters from the measurement on the throwing line. This is the athlete's score. If the score falls between meters, then the score is rounded down
- Athlete is given two trials with the best score recorded
 - Example: Athlete's ball lands perpendicular to the 25.40 meter point on the measuring tape and is 6.50 meters out
 - Score = $25 - 6 = 19$

Event #4: Flag Pulling

- Purpose is to measure an athlete's flag pulling ability
- Equipment: one stopwatch, one clipboard, eight cones, three flag football Velcro belts, three ball dart games, scoresheet, and pencil
- Description
 - Three volunteers will be utilized to hold the three ball dart games
 - Ball dart games are staggered every 10 meters marked with two cones for a total of thirty meters

- Athlete is timed as he/she leaves the set of cones marking the start line, runs to the staggered ball dart games, pulls the flag football belt on each game and drops the belt by the ball dart games. Timing ends after the athlete pulls the last flag
- Five seconds are deducted for each missed flag
- Scoring
 - Start with 60 seconds and subtract the amount it took the athlete to pull all three flags
 - Athlete is given two trials, with the best score recorded
 - Example: athlete's time to pull all three flags is 42 seconds with no missed flags
 - Score: $60 - 42 = 18$

Athletes total score is 75 ($16 + 22 + 19 + 18 = 75$)

GOLF – UNIFIED

No qualifier required for state competition

Specific Division Age Requirements

- Gloves are **NOT** allowed, but may use chalk

Competition:

- Powerlifting begins with the bench press and awards in the morning followed by dead lift competition and awards

ROLLER SKATING

Area competition only

Specific Division Age Requirements

Special Olympics division guidelines allow for the combining of individuals in consecutive age groups and/or gender into the same division if their ability levels are similar enough to provide fair and equitable competition.

Relays - Open

Entries:

- Entry score for the athlete should be their best effort time
- Entry form can be found on the SOIA website [Participation Forms](#)
- At this time only a competition at the area level

Events:

- Athletes may compete in two events and a relay
- Speed Competition
 - 30M Straight Line Race
 - 30M Slalom
 - 100M Race the Track
 - 300M Race the Track
 - 500M Race the Track
 - 2 X 100M Relay Race
 - 2 X 100M Unified Relay Race
 - An Official Championship 100-meter (70 feet by 170 feet) track shall be used
 - A 100-meter track is standard, but any size from 50 meters to 100 meters can be used. When recorded times will not be used for placement at the next level of competition, the meet director may choose to modify the distance (i.e., using a 90-meter track, individuals might race 90 meters, 270 meters and 450 meters rather than 100 meters, 300 meters and 500 meters)
 - The track is to be marked by four, eight-inch pylons with the base cut so that no edges protrude onto the skating surface. Additional markers may be used to define the track
 - When rails or barrier openings occur between corners two and three, and four and one, they shall be closed in to present a continuous, smooth surface from the floor to the top of the railing or barrier wall. When no barrier surrounds the skating surface, a minimum of 1.53 meters (five feet) from the edge of the surface shall be kept clear of seating, bleachers, spectators and contestants and will be clearly marked with tape, chalk, rope, etc. Unless the actual track is more than 9.15 meters (30 feet) from the edge of the skating surface, any rough surfaces, protrusions and obstacles adjoining the track or within 1.53 meters (five feet) without a barrier protection, shall be padded. The padding shall be at least five centimeters (two inches) thick and raised 26 centimeters (10 inches) from the skating surface

Rules:

- The Official Special Olympics Sports Rules for Roller Skating shall govern all Special Olympics competitions. As an international sports program, Special Olympics has created these rules based upon Federation International de Roller Skating (FIRS) Rules for Roller Skating found at <http://www.rollersports.org/> FIRS or NGB rules shall be employed except when they are in

conflict with the Official Special Olympics Sports Rules for Roller Skating or Article I. In such cases, the [Official Special Olympics Sports Rules for Roller Skating](#) shall apply

- Refer to Article 1, <https://resources.specialolympics.org> for more information pertaining to Codes of Conduct, Training Standards, Medical and Safety Requirements, Divisioning, Awards, Criteria for Advancement to Higher Levels of Competition and Unified Sports

Equipment:

- Competitors wear shorts and matching short-sleeved shirts or one-piece, short-sleeved outfits. Bare midriff uniforms are prohibited. Jeans or sweat suits may be substituted in local competitions. All members of a relay team must wear identical outfits
- Helmets are required
- No gum or jewelry allowed on the Field of Play
- Wrist guards and knee pads are optional, but may be recommended for some skaters
- Skaters will wear a cloth or paper number on their backs. Members of a relay team will be issued separate matching numbers for that event (i.e., all members of a team will wear number three). Color-coded armbands or vests may be used in addition to numbers to help identify relay partners
- A starter gun shall be used. When a starter gun is not available, a whistle is acceptable
- Standing or track starts may be used
- For hearing impaired athletes, dropping a hand or flag shall accompany the sound of the gun
- If the skater wears glasses, that skater must wear an eyeglass strap

Competition:

Official:

- There shall be one timer per competitor in the race
- A Starter will be responsible for commencing the race by utilizing a starter gun or whistle. The Starter is also responsible for signaling the last lap of the race with a bell and a flag to signal the finish of the race
- Placement judges shall record the placement of skaters as they cross the finish line. Note: Judges must note both place of finish and time
- False starts will require a restart
- During preliminary competition, when a skater falls, the timer stops the watch and doesn't restart it until the skater is up and moving again

Competition:

- All events are final events
- Although the race starts at the time of the gun or whistle, the timers start their watches when the first skater reaches the timing line. The watch is stopped when the skate of the assigned skater reaches the finish line
- Disqualification will be the penalty for any of the following infractions:
 - Intentional blocking, hitting, shoving or tripping another skater
 - Skating inside a pylon or straddling a pylon (when a skate is in contact with the floor on the inside or outside of the pylon)
 - Falling in a place that limits another skater's ability to compete. If a skater falls in the finals and does not get up
 - Breaking a skate so that it is impossible to continue
 - Receiving physical assistance after the starting gun or whistle
- Rules for Relay Races
 - There is a box marked on the skating surface inside the track, across from the finish line. The relay area should be large enough for all the skaters waiting to make a relay. These

dimensions are generally five meters (16 feet, 5 inches) by three meters (9 feet, 10.25 inches)

- For relays, one partner starts on the line while the other partner(s), wait in the relay box. Once the race has begun, the relaying partner skates to the legal hand tag area between pylons four and one attempting to match their partner's speed by the time of the hand tag. A hand tag must be used. Athletes leaving the relay box area shall not enter the track until the tag between pylons four and one. Once the tag is made, the partner must remain on the floor at the end of the floor without leaving the skating surface
- Missing a hand tag is a basis for disqualification. Once the hand tag is made, the relieved partner must skate to the end of the floor and remain until the race is completed
- Disqualifications will be the penalty for any of the following infractions:
 - Missing a hand tag
 - Using a push tag
 - Relieved partner(s) not remaining at the end of the skating floor until the event is completed
- Relay teams may be all male, all female or mixed

- Rules for 30-meter Straight Line Race (Any athlete able to complete this race in 15 seconds or less will not be allowed to compete in this event. Athletes with this skill level should be moved into a higher level event such as the 100m, 300m or 500 events)
 - The course shall be set up in a straight line that measures 30 meters (98 feet, 25 inches) long, with a start and finish line that are at least five meters (16 feet, 5 inches) wide each
 - No athletes may receive physical assistance during the actual race, but walkers or other non-mechanical devices may be permitted
 - All skaters in the heat skate at one time
 - Any skater who pushes, blocks or trips another skater in a way that hurts the other skater's performance must be disqualified
- Rules for 30-meter Slalom (Any athlete completing the race in 15 seconds or less will not be allowed to compete in this event. Athletes with this skill level should be moved into a higher level event such as the 100M, 300M, 500M or 1000M Race the Track events)
 - The course shall be set up in a straight line 30 meters long (98 feet, 5.25 inches), with a start and finish line each measuring at least five meters (16 feet, 5 inches) wide
 - No athlete may receive physical assistance during the actual race, but walkers or other non-mechanical devices may be permitted
 - Five pylons are set up at five meters (16 feet, 5 inches) apart. The first pylon is five meters from the starting line, making the course a total of 30 meters (98 feet, 5.25 inches). From the start, skaters pass the pylons on alternating sides, starting either to the left or the right
 - Each skater is penalized by one second added to the official time for every pylon missed or straddled
- Unified Sports Relays
 - Each Unified Sports relay team shall consist of an equal number of athletes and partners
 - Skaters on a Unified Sports team may be assigned to skate in any order

SNOWSHOEING

No qualifier required for state competition

Specific Division Age Requirements

Special Olympics division guidelines allow for the combining of individuals in consecutive age groups and/or gender into the same division if their ability levels are similar enough to provide fair and equitable competition.

Relays - Open

Events:

- Athletes may register for up to two individual events and one relay
 - 100M
 - 200M
 - 400M
 - 800M
 - 4 x 100M Relay
 - 4 x 100M Unified Relay

Rules:

- The Official Special Olympics Rules shall govern all Special Olympics Snowshoeing competitions. Special Olympics, Inc. is the International Governing Body for Snowshoeing. Refer to the [Snowshoeing Rules](#) on the Special Olympics website for more information pertaining to Codes of Conduct, Training Standards, Medical and Safety Requirements, Divisioning, Awards, Criteria for Advancement to Higher Levels of Competition, and Unified Sports. The Special Olympics Snowshoeing Rules can be found on the [Winter Games](#) page of our website

Competition:

- Relays consist of four athletes or two athletes and two Unified Sport Partners. If one athlete is unable to compete the day of competition, then he/she may be replaced with another athlete so long as the category does not change
 - For example: junior relay must remain a junior relay
- The substituted athlete must already be competing in the sport at the competition

Equipment:

- Athletes should bring their own snow shoes. Please **DO NOT** rely on another delegation to provide the snow shoes for your athletes
- Athletes should bring winter boots, gloves, and hats to wear during competition

SOCCER SKILLS

No qualifier required for state competition

Specific Division Age Requirements

Special Olympics division guidelines allow for the combining of individuals in consecutive age groups and/or gender into the same division if their ability levels are similar enough to provide fair and equitable competition.

Events:

- Soccer Skills

Equipment:

- See rules for specific soccer ball sizes
- Non-metal cleats may be worn

Rules:

- The Official Special Olympics Sports Rules for Football (Soccer) shall govern all Special Olympics competitions. As an international sports program, Special Olympics has created these rules based upon Federation Internationale de Football Association (FIFA) rules for football (soccer) found at <https://www.fifa.com/> or NGB rules shall be employed except when they are in conflict with the Official Special Olympics Sports Rules for Football (Soccer) or Article I. In such cases, the Official Special Olympics Sports Rules for Football (Soccer) shall apply. Special Olympics Soccer Rules can be found on the [Summer Games](#) page of our website

Competition:

- Individual Skills competition consist of three events: Dribbling, Shooting, and Run and Kick
- Competitors should first go through a divisioning round where each athlete performs each event once
- The total score from the three events is then used to place competitors in divisions of similar abilities for the competition (medal) round. **In the medal round, each player should perform each event twice. The total score from the two rounds is added together to give the final score**
- Competition layout listed below

Event #1: Dribbling

- Equipment
 - Size four or size five balls, tape or chalk, four large cones to mark the finish zone
- Description
 - The player dribbles from the starting line to the finish zone, staying inside the marked lane
 - The finish zone should be marked off with cones as well as chalk. The clock is stopped when both the player and the ball are stopped inside the finish zone. If the player overshoots the finish zone, he/she must dribble it back in to finish
- Scoring
 - The time (in seconds) elapsed while the player is dribbling is converted into points using the scale below. A deduction of five points is made for each time the ball runs over the sidelines of the lane or if a player touches the ball with his/her hands (note: If the ball runs over the sideline, the referee will immediately place another ball in the center of the lane opposite the point at which the ball went out)

Scoring conversion chart: Dribble Time (Seconds)	Point Score
5–10	60 points
11–15	55 points

Event #2 Shooting

- Equipment
 - Size four or size five balls, tape or chalk, four-meter by two-meter five-a-side goal with net
- Description
 - Athlete begins at the start line and walks or runs forward to shoot the ball into the goal from a distance of six meters. Athlete is only allowed to kick the ball once. The athlete returns to the line. Ball placer (official) places the next ball to be shot. Athlete repeats. Total of five shots. When the player kicks the last ball, the clock is stopped at a maximum of two minutes
- Scoring
 - Each successful goal scores 10 points

Event #3: Run and Kick

- Equipment
 - Four, size four or size five balls. A central starting point should be marked. A two-meter wide target gate (cones or flags) set up two meters ahead of each ball
- Description
 - Player begins at the starting marker. Athlete runs to any ball and kicks it through a target gate. Athlete is only allowed to kick the ball once. The player then runs and kicks another ball through a target gate. When the player kicks the last ball, the clock is stopped
- Scoring
 - The total time (in seconds) elapsed from when the player starts to when he/she kicks the last ball is recorded and converted into points using the conversion chart below
 - **A bonus of five points is added for each ball kicked successfully through a target gate**

Scoring Conversion Chart	Points Score

TEAM SOCCER

No qualifier required for state competition

Specific Division Age Requirements

Open

Entries:

- Soccer Team Skills Assessment for Individuals are included with the entry form

Events:

- Seven-a-side soccer
- Seven-a-side
 - Traditional
 - Coed
 - Unified Team
 - Team Soccer competition does not follow the age categories for divisioning. It is an open age competition, which means teams may consist of athletes of all ages

Rules:

- The Official Special Olympics Sports Rules for Football (Soccer) shall govern all Special Olympics competitions. As an international sports program, Special Olympics has created these rules based upon Federation Internationale de Football Association (FIFA) rules for football (soccer) found at <https://www.fifa.com/> or NGB rules shall be employed except when they are in conflict with the Official Special Olympics Sports Rules for Football (Soccer) or Article I. In such cases, the Official Special Olympics Sports Rules for Football (Soccer) shall apply. Special Olympics Soccer Rules can be found on the [Summer Games](#) page of our website

Equipment:

- Size five soccer ball
- Shin guards are required – provided by delegation
- Non-metal cleats may be worn
- Team shirts of the same color are to be worn

Competition:

- Seven players must start at each game

SOFTBALL SKILLS

Conference competition required to qualify for state competition

Specific Division Age Requirements

Special Olympics division guidelines allow for the combining of individuals in consecutive age groups and/or gender into the same division if their ability levels are similar enough to provide fair and equitable competition.

Entries:

- Conference Softball
 - Athletes who participate at a conference competition and place, may compete at the state tournament

Events:

- Softball Skills

Rules:

- Special Olympics Iowa will follow Amateur Softball Associations Slow Pitch rules. ASA Rules for Softball can be found on our website under the [Softball](#) page

Equipment:

- Only bats marked by the Manufacturer as “Official Softball” may be used
- A 30 cm (12”) optic yellow softball must be used
- Non-metal cleats may be worn

Competition:

- Individual Skills competition is not for athletes who can already play the game
- The Individual Skills competition is composed of four events: Base Race, Throwing, Fielding, and Hitting
- The athlete’s final score is determined by adding together the scores achieved in each of these four events
- Athletes will be pre-divisioned according to their total scores from these four events
- Each event is diagrammed with the suggested number and placement of volunteers who will administer the event. It is also suggested that the same volunteers remain at an event throughout the competition so that consistency is provided

Event #1: Base Running

- Equipment: Three bases, home plate, stopwatch
- Purpose: To measure the athlete’s base-running ability
- Description: Bases are set up like a baseball diamond and positioned 19.81 meters (65 feet) apart. The athlete is instructed to start on home plate, and run around the bases as fast as possible, touching each base en route
- Scoring: The time starts when the athlete leaves home plate and stops when the athlete returns to home plate after circling the bases. The time elapsed in seconds is subtracted from 60 to determine the point score. A penalty of five seconds for each base missed or touched in improper order shall be assessed. The best score of two trials is recorded

Event #2: Throwing

- Equipment: Regulation field, two measuring tapes, softballs, two small cones or marking stakes
- Purpose: To measure the athlete's ability in throwing for distance and accuracy
- Description: The player being tested stands behind the restraining line, back far enough to take one or more steps in preparation for throwing. The player has two trials to throw the softball as far and as straight as possible down the throwing line, without stepping over the restraining line. Coaches, assistants or other waiting players should be positioned in the field to indicate, using a cone or marking stake, the spot where each ball first touches the ground. The better of the two throws is measured and recorded as the player's score. If a player steps on or over the line before releasing the ball, the trial must be repeated. There will be a maximum of two repeats
- Scoring: The net throwing score equals the throwing distance, measured at a point on the throwing line straight across from (perpendicular to) the spot where the ball landed, minus the error distance, the number of meters the ball landed off target, away from the throwing line. The player's score is the better of the two throws. Both error scores and distance are measured to the nearest meter; for example, if a ball lands even with (perpendicular to) the 50-meter point on the measuring tape, but is six meters off to one side, the player's score is 44 points (Distance thrown [50] minus number of meters off target [6] results in a net score of 44 meters). Athletes score one point per meter; for example, 44 meters equals 44 points. If the score falls between meters, the score should be rounded down; for example, 44.73 equals 44 points

Event #3: Fielding

- Equipment: 30.5-centimeter (12-inch) softballs, measuring tape, chalk/line, cones
- Purpose: To measure athlete's fielding ability
- Description: The athlete will stand between and behind the two cones. The official must throw the ball on the ground to the athlete, between the cones. The throw to the athlete must hit the ground before the 6.10-meter (20-inch) chalk mark. The athlete may move aggressively toward the ball. If the thrown ball is outside of the cones, the throw must be repeated. Each athlete gets five fielding attempts per trial. Each athlete receives two trials
- Scoring: The athlete receives five points for a clearly fielded ball (either caught in glove or trapped against the body, but off the ground); two points for a ball that is blocked; zero points for a missed attempt, for a maximum score of 50

Event #4: Hitting

- Equipment: Batting tee, 30.5-centimeter (12-inch) red-stitch restricted-flight softballs, bat, measuring tape and chalk
- Purpose: To measure the athlete's ability to hit for distance when hitting off a batting tee
- Description: Standing in a regulation-size batter's box (i.e., 2.31 meters [7 feet, 7 inches] by 99 centimeters [3 feet, 3 inches]), the athlete is instructed to hit the ball off the tee. The athlete receives three attempts
- Score: The distance of the longest hit shall determine the athlete's final score. The distance of a hit is measured from the batting tee to the point where the ball first touches the ground. The distance is measured to the nearest meter; for example, one meter equals one point; 46 meters equals 46 points. If the score falls between meters, scores should be rounded down; for example, 46.73 equals 46 points

Final Score

- A player's final score is determined by adding together the scores achieved in each of the four events which comprise the Individual Skills Competition

TEAM SOFTBALL

Conference competition required to qualify for state competition

Specific Division Age Requirements

Junior (8 – 21)

Senior (22+)

Events:

- Softball Team Skills Assessment for Individuals is available with the entry forms
 - Team
 - Co-ed
 - Unified

Rules:

- Special Olympics Iowa will follow Amateur Softball Associations Slow Pitch rules. ASA Rules for Softball can be found on our website under the [Softball](#) page

Equipment:

- Only bats marked by the Manufacturer as “Official Softball” may be used
- A first baseman’s trapping-type mitt may be worn by first baseman and catchers only
- The catcher must wear a one piece helmet and mask
- All batters and base runners must wear a batter’s helmet
- Non-metal cleats may be worn
- A 30 cm (12”) optic yellow softball must be used

Competition:

- Team Softball competition does not follow the age categories for divisioning. It is an open age competition, which means teams consist of athletes of all ages
- Rosters are 10 – 15
- The game consists of seven innings with a 1½ hour playing time limit
- Extra innings are played if needed
- The game is considered complete if after three full innings of play one team leads the other by 15 runs or more, or five full innings of play one team leads the other by 10 runs or more
- If a batter is using the tee the pitcher will stand on the rubber and outfielders need to be on the grass
- Division III, IV and Developmental may use a tee and bat. When the batter steps up to the plate, they must choose bat or tee. No changes at bat will be allowed
- In Division IV after an athlete pitcher pitches four balls a coach will come in and pitch up to three pitches. There will be no walks. Batter will not be allowed to switch to tee after receiving pitch
- The ball must be pitched in an underhand motion and should travel in an arc that is no less than 1.83 meters (6') and no greater than 3.66 meters (12'). Pitcher must have one foot on rubber to start pitch
- A carpet extension is used to determine a strike or ball. If the ball lands on the plate or carpet in correct arch, it is a strike. If the ball lands on the black area of plate, it is a ball
- At bats start with a one and one count. Four balls constitute a walk and three strikes constitute an out. If the batter has two strikes and fouls off the third pitch, he/she shall be declared out
- In the Developmental division coaches will pitch to their own batters. There will be only four pitches from the coach, or the batting tee. When the batter steps up to the plate, the coach and batter need to decide if the batter elects to use live pitches or the tee

- In Division III, IV and Developmental when using a tee the batter starts with a one and one count and can strike out
- In Division IV and Developmental, three outs or 10 batters will indicate the end of an inning
- As a safety issue athletes in Division I and Division II are not be allowed to use the tee
- An appeal play is defined as a play in which an umpire is unable to make a decision unless he/she is requested to do so by a coach or player. The appeal can be made if a coach or player asks the umpire to make a ruling
- The umpires are empowered to make all decisions on the playing field. If a protest is made, it shall be brought to the Softball Rules Committee who will then make a final decision. A protest may only be made if it questions the applicability of the rules. No protest will be considered which pertains to any judgment call made by an umpire
- If a coach touches a runner while the ball is still in play, that runner will be declared out. Coaches are required to stay within the boundaries of the coaches' box
- In the Developmental division, the defensive coach can be on the field behind 2nd base
- In Division IV, after the 10th batter bats and the pitcher has the ball in the vicinity of the mound the ball will be considered dead. Runners may advance to the base they are headed for
- A player can only occupy one spot in the batting order. If a player is replaced in the batting order he/she can only come back into that same slot in the order, and only one reentry allowed. Moving defensive position is not a substitution. Players can switch defensive positions at will

SPEED SKATING

No qualifier required for state competition

Specific Division Age Requirements

Special Olympics division guidelines allow for the combining of individuals in consecutive age groups and/or gender into the same division if their ability levels are similar enough to provide fair and equitable competition.

Relays - Open

Events:

- Athletes may register for up to two individual events and a relay
 - 25M
 - 25M Assisted (skate-aid)
 - 100M
 - 300M
 - 500M
 - 2 x 100M Relay
 - 2 x 100M Unified Relay
 - 4 x 100M Relay
 - 4 x 100M Unified Relay

Rules:

- The Official Special Olympics Sports Rules for Short Track Speed Skating shall govern all Special Olympics competitions. As an international sports program, Special Olympics has created these rules based upon International Skating Union (ISU) rules for Short Track Speed Skating found at <http://www.isu.org>. The Special Olympics Speed Skating Rules can be found on the [Winter Games](#) page of our website

Equipment:

- Ice skates are available to athletes, at no cost during Winter Games
- All speed skaters shall wear long-sleeved and long-legged uniforms, knee pads, shin guards, cut resistant neck protector, cut resistant gloves or mittens of a protective nature, and an ISU approved speed skating safety helmet which shall be held on with straps and have a hard shell that has no protrusions
- Whenever possible athletes should bring their own skates and skate guards

SWIMMING

Area competition required to qualify for state competition

Specific Division Age Requirements

Special Olympics division guidelines allow for the combining of individuals in consecutive age groups and/or gender into the same division if their ability levels are similar enough to provide fair and equitable competition.

Relay

Junior (8 – 15)

Senior (16 – 51+)

Relay Categories

Co-ed – two female and two male

Female – four female

Male – four male **or** one male and three female **or** three male and one female

Unified Team – two athletes and two Unified Sports partners

Entries:

- Entry score for the athlete should be their best effort time
- **State Office will use qualifying score from Area Swimming results to division at the state competition**
 - We want to ensure that all athletes have a fair opportunity to qualify for and compete at the state competition. Therefore we are requesting that the areas that currently offer a swimming competition to continue to do so. Athletes who want to compete in swimming but are in areas that do not have a swimming competition will compete in a neighboring area
 - The following is the breakdown of where Area Swimming competitions are held and which areas will compete in them:
 - Cedar Rapids: East Central Area
 - Cedar Falls: Northeast Area
 - Clinton: East and Southeast Area
 - Indianola: South Central, Southwest and West Central Areas
 - Marshalltown: Central and North Central Areas
 - Spirit Lake: North and Northwest Areas

Events:

The following events will be offered in swimming competition:

- | | |
|--------------------------|--|
| • 25 yard Backstroke | • 25 yard Flotation Race |
| • 50 yard Backstroke | • 25 yard Freestyle |
| • 100 yard Backstroke | • 50 yard Freestyle |
| • 25 yard Breaststroke | • 100 yard Freestyle |
| • 50 yard Breaststroke | • 200 yard Freestyle |
| • 100 yard Breaststroke | • 100 yard Freestyle Relay (4 X 25 yard) |
| • 25 yard Butterfly | • 100 yard Unified Freestyle Relay (4 X 25 yard) |
| • 50 yard Butterfly | • 100 yard Individual Medley |
| • 100 yard Butterfly | • 200 yard Individual |
| • 15 yard Flotation Race | |

The 15 yard and 25 yard flotation are development events. These events are for individuals with severe or profound disabilities who cannot recover to the side, stand in the water or otherwise voluntarily help themselves. These individuals need assistance (flotation device) in the water. It is not a “learn-to-swim” event. Each athlete is responsible for his/her own flotation device. The device must be of the body wrap around type such that if the athlete were to not be able to hold onto the device, the device would still support the athlete with his/her face out of the water. (Flotation devices such as kickboards, inner tubes or floats that wrap around the arms are not acceptable for use at any time). If an athlete needs assistance to enter or leave the pool, his coach or staff will help. Our volunteers are not trained to do this. There is a 10 minute limit on the 15 yard race and a 15 minute limit on the 25 yard race. An athlete may enter only one flotation race. **After the race begins, there will be no touching of the athlete to help them with the race.**

Rules:

- The Official Special Olympics Sports Rules for Swimming shall govern all Special Olympics competitions. As an international sports program, Special Olympics has created these rules based upon Federation International de Natation Amateur (FINA) rules for swimming found at <http://www.fina.org/>. United States Swimming Rules shall govern the competition with the exception of the false start rule. Rules can be found on the [Summer Games](#) page of our website
- An athlete with Down syndrome who has been diagnosed with Atlanto-Axial Instability may not participate in Butterfly events, Individual Medley events, or diving starts
- If available, starting blocks may be used at area and state competition
- Each swimmer will be allowed one false start. Upon committing a second false start, that swimmer will be disqualified
 - In all cases where a false start occurs, the race will be recalled and the disqualified swimmer shall not be permitted to swim
- Athletes will be disqualified for walking on the bottom of the pool during competition
- Athletes must use appropriate strokes at all times
- No jewelry is to be worn during competition
- No flotation devices shall be allowed except in the developmental event
- No coach shall enter the water with the swimmer in any event with the exception of assisting an athlete in and out of the pool

Stroke Specific Rules:

- Below are common rule violations in each swim stroke. The penalty for stroke form violations is disqualification from event

Backstroke

- The body shall remain on the back
- The turn requires that some part of the swimmer's body contact the end wall
- The finish requires contact with the finish wall, by any part of the body

Breaststroke

- Some portion of the head must break the water surface sometime during each stroke cycle
- The stroke requires both hands be pushed forward from the breast simultaneously on, above, or under the surface of the water
- The kick requires the feet be drawn up with the knees bent. The feet must be turned outward during the propulsive part of the kick. All movement of the legs and feet shall be simultaneous and in the same horizontal plane. NO scissors, flutter, or downward butterfly kick is permitted
- The turn requires a simultaneous touch with two hands, not necessarily on the same plane after which any manner of turn is permitted
- The finish requires contact with the finish end when both hands touch simultaneously, not necessarily on the same plane

Butterfly

- The Stroke requires that both arms simultaneously pull backward under the water, then simultaneously recover over the water
- The kick requires that both legs and feet move up and down simultaneously in the vertical plane. Scissors, breaststroke, and alternating up and down movements of the legs are not permitted
- The turn requires simultaneous touch with two hands, not necessarily on the same plane, after which any manner of turn is permitted
- The finish requires contact with the finish end when both hands touch simultaneously, not necessarily on the same plane, and shoulders horizontal

Competition:

- Relays consist of four athletes or two athletes and two Unified Sport Partners. If one athlete is unable to compete the day of competition, then he/she may be replaced with another athlete so long as the category does not change
 - For example: junior female relay must remain a junior female relay
- The substituted athlete must already be competing in the sport at the competition

TENNIS SKILLS

No qualifier required for state competition

Specific Division Age Requirements

Special Olympics division guidelines allow for the combining of individuals in consecutive age groups and/or gender into the same division if their ability levels are similar enough to provide fair and equitable competition.

Events:

- Athletes entered into Individual Tennis Skills competition may not enter Singles or Doubles events

Rules:

- The Official Special Olympics Sports Rules for Tennis shall govern all Special Olympics competitions. As an international sports program, Special Olympics has created these rules based upon International Tennis Federation (ITF) Rules for tennis found at <http://www.itftennis.com/>. Special Olympics Tennis Rules can be found on the [Summer Games](#) page of our website

Competition:

Levels:

The following is a guide to levels designed to provide competition opportunities to athletes of all abilities. Competition events for Levels 2 – Level 5 are: Singles Doubles, Mixed Doubles and Unified Doubles.

Level 1	Individual Skills Competition	
	Tennis Rating of 1.0 – 1.9 ITN 10.3-10.2 42'	Court – Red foam ball

Event #1: Forehand Volley

- The athlete stands approximately one meter from the net with the feeder on the other side of the net, positioned halfway between the service line and the net
- Each athlete is given five attempts to hit a ball safely over the net
- The feeder underhand tosses each ball to the athlete's forehand side
- The athlete scores five points for hitting into the service box into either service box

Event #2: Backhand Volley

- Same as forehand volley except feeder sends the balls to athlete's backhand side
- Each athlete is given five attempts
- The athlete scores five points for hitting into the service box into either service box

Event #3: Forehand Groundstroke

- The athlete stands one meter behind the center (T) of the service line
- The feeder is on the other side of the net, positioned half way between the service line and the net, underhand tosses the ball so it bounces once before reaching the athlete's forehand side
- Each athlete is given five attempts

- The athlete scores five points for hitting into either service box

Event #4: Backhand Groundstroke

- Same as forehand groundstroke except the feeder sends the ball to the athlete's backhand side
- Each athlete is given five attempts
- The athlete scores five points for hitting into either service box

Event #5: Deuce Court

- Each athlete is given five attempts to hit a legal serve from the right court to the deuce service box
- A ball landing in the correct service box will count 10 points
- A zero score is recorded if the athlete commits a foot fault or fails to get the ball in the service box
- A foot fault occurs when the athlete steps on or over the service line

Event #6: Advantage Court

- Same as serve to deuce court but from the left court to the advantage service box
- Each athlete is given five attempts
- A ball landing in the correct service box will count 10 points
- A zero score is recorded if the athlete commits a foot fault or fails to get the ball in the service box
- A foot fault occurs when the athlete steps on or over the service line

Event #7: Alternating Groundstrokes with Movement

- The athlete begins one meter behind the center (T) of the service line
- The feeder is on the other side of the net positioned halfway between the service line and the net, alternates underhand tosses to the athlete's forehand and backhand sides
- Each toss should land at a point which is both halfway between the service line and the net and halfway between the center service line and singles sideline
- The athlete must be allowed to return to the center mark before feeding the next ball
- Each athlete is given 10 attempts
- The athlete scores five points for hitting into either service box

Final Score

- A player's final score is determined by adding together the scores achieved in each of the seven events which comprise the Individual Skills competition

TENNIS

No qualifier required for state competition

Specific Division Age Requirements

Special Olympics division guidelines allow for the combining of individuals in consecutive age groups and/or gender into the same division if their ability levels are similar enough to provide fair and equitable competition.

Events:

- Athletes may register for two events (singles and one doubles event). Athletes entered into Individual Skills competition may not enter singles or doubles events. Tennis Skills Assessment for individuals is included with entry form
 - Singles
 - Doubles
 - Mixed Doubles

Unified Doubles Rules:

- The Official Special Olympics Sports Rules for Tennis shall govern all Special Olympics competitions. As an international sports program, Special Olympics has created these rules based upon International Tennis Federation (ITF) Rules for tennis found at <http://www.itftennis.com/>. Special Olympics Tennis Rules can be found on the [Summer Games](#) page of our website

Competition:

- Athletes will be in a division based on their rating (2.0 – 8.0) determined by completion of the Tennis Rating Sheet. SOIA will division according to ability. The Special Olympics Rating Guidelines will be used
- Tennis Rating Sheet is included with the entry form
 - The size of the court on which competition will be held and the type of ball which will be used will correspond to the level of play to which the athlete is assigned based on their rating

Suggested Competition Levels:

- Review the following guide to ensure athletes are divisioned in the correct levels

Levels:

The following is a guide to levels designed to provide competition opportunities to athletes of all abilities
Competition events for Levels 2 – Level 5 are: Singles Doubles, Mixed Doubles and Unified Doubles

Level 2	Match play: Tennis Rating of 2.0 – 2.9 ITN 10.1 42'	Court – Red foam ball
Level 3	Match play: Tennis Rating of 3.0 – 3.9 ITN 10 60'	Court – Orange ball
Level 4	Match play: Tennis Rating of 3.0 – 4.9 ITN 9 78'	Court – Green ball (Yellow ball with green dot)
Level 5	Match play: Tennis Rating of 5.0 – 8.0 ITN 8, 7, 6 78'	Court – Yellow ball

Notes: Level 3 is intended as a transitional level for training purposes. It can be used for competition if sufficient entrants at this level are expected.

The SO Tennis Rating above are for singles, the range of rating should be doubled when athletes are playing doubles matches, i.e. Level 4 would become 6.0 – 9.9

VOLLEYBALL

No qualifier required for state competition

Specific Division Age Requirements

Junior (8 – 21)

Senior (22+)

Gender is mixed

Entries:

- Volleyball Assessment for Individuals is included with entry form

Events:

- Team
- Unified

Rules:

- SOIA Volleyball Tournament will be conducted in accordance with the (Federation Internationale de Volleyball (FIVB), which USAVB Rules. Special Olympics [Volleyball](#) Rules can be found on the SOIA website.
- Unified teams
 - Each team may have up to three hits, one of which must be by an athlete

Equipment/Uniforms:

- All players, coaches, and athletes must wear tennis shoes. Uniforms should consist of t-shirts with numbers on the front and back and shorts or volleyball uniform sets. If a team is unable to wear uniforms or does not have t-shirts with numbers on the front and back, please wear shirts and shorts appropriate for athletic competition (no denim or khaki shorts)

Competition:

- Teams will be assigned to divisions based on ability within varying levels of play. Please see the following pages for specific divisioning information. Team Composition: Six players and up to six substitutes
- Rally scoring will be used in all divisions. Rally scoring means that every time the ball is served a point is scored. In the Developmental Division all competition will be single game matches, with the winners being the first team to 15. In all other divisions there will be pool play in the morning consisting of singles games with the winner being the first team to 15. Winning team must win by two points. The morning games will determine the seeding for medal round play in the afternoon

Volleyball Division Criteria

DIVISION I

Playing all high school rules including:

- Foot Faults
- In the net
- Carries
- Blocking serve

Criteria

- Majority of servers (four out of six starters) could serve 15 straight if not returned. One or two players could serve six-eight straight, possibly one player who couldn't serve six-eight straight
- Majority of players (four out of six starters) can return a serve or a volley routinely. The rest of team can return a serve or a volley occasionally
- Majority of players can set teammates and play on ball set by teammates
- Majority of starters would move for a ball

DIVISION II

Some leniency in rules:

- Call all foot faults
- Can touch net if doesn't interfere with opponent, but call if during attempt to spike, and call if at least whole foot touches past center line or interferes with opponent
- Call only obvious carries
- Call spiking serve

Criteria

- Half of starters could serve 15 straight if not returned. One or two players could serve six-eight straight if not returned. One or two players have at least half straight if not returned. One or two players could not serve over 50 percent from back line
- Half of players can return a serve or a volley routinely. One or two players can return a serve or volley occasionally. One or two players might return a serve or volley hit right to them, if in the front row
- Half of starters can set a teammate and play on ball set by teammates
- Half of starters would move for a ball

DIVISION III

Added leniency in rules:

- Call foot faults if whole foot is over line
- Can touch net if doesn't interfere with opponents - call if more than one foot is touching under net or interferes with opponents
- Call only very obvious carries
- Call spiking a serve

Criteria

- One or two players could serve 15 straight if not returned. One or two players would regularly serve six-eight straight if not returned. One or two players would have 50 percent of good serves
- One or two players can return a serve or a volley routinely. One or two players can return a serve or volley occasionally. One or two players might return a serve or volley hit right to them if in the front row. One or two players who rarely would return a serve or volley even if hit right to them when in the front row
- One or two players can set a teammate and play on a ball set by teammates
- One or two players would move for a ball

DIVISION IV

Increased leniency in rules:

- Call foot faults if whole foot is over line, may move service line closer to the net, but no closer than 14'9" but if server is reaching back row they should serve from end line
- Any touching of net or going under net allowed first time if it doesn't interfere with opponents playing ball. Warn athletes, if same athlete repeats, call as in Division III
- Call only catch and throw
- Can block serve
- Five point service rule – if one player serves consecutively to score five times, service will move to opponent
 - The change of service is considered a side out and one point is earned to the new server

Criteria

- Half of starters could serve five straight serves in, if not returned from either end line or three feet in. One or two starters at least 50 percent of serves would be good from either line. One or two starters could not serve at least 50 percent of serves good from line three feet in
- One or two players can return a serve or volley occasionally. One or two might return a serve or volley that is hit right to them, if they were in the front row. One or two players would rarely return a serve or volley even if the ball was hit right to them and they were in the front row
- One or two players that might set a team mate or play on a ball hit by a teammate
- One or two players might move for a ball

DEVELOPMENTAL DIVISION

- Call foot faults if whole foot is over the line
- May move service line closer to the net, but not closer than 14'9". If services are reaching back row then they should serve from the end line

Very lenient on rules similar to Division IV

- Play on smaller court, lower net, lighter, larger ball
- Court: Smaller Size 25' X 50'
- Net: Lower height 7'4 1/8"
- Equipment: Ball will be a softer rubber (Volleyball Trainer)
- Serve: The service line may be moved closer to the net. But no closer than 4.5 meters from the net
- Five point service rule – if one player serves consecutively to score five times, service will move to opponent
 - The change of service is considered a side out and one point is earned to the new server

Criteria

- Entire team should consist of athletes with lower levels of functioning

Volleyball Tournament Rules Modifications and Points of Emphasis

As noted previously the SOIA State Volleyball Tournament will be played according to the official SOI [Volleyball](#) rules except for the following modifications:

Points of Emphasis

- Scoring Change
 - Scoring in Divisions I – IV for afternoon medal round play
 - During medal round play the first two games of the three game match will be played to 21. The third game of the match, if necessary, will be played to 15. Winning team must win by two points

- Seeding round games in all divisions and all developmental division games will be played to 15. Winning teams must win by two points
- Libero Player
 - Teams in Divisions I and II are encouraged to consider using a Libero player. Please check the SOI Volleyball rules on page four for the rules regarding Libero players

Rules and Game Management

Rights and Duties of Team Personnel and Players

- Spokesman of the team – playing captain and head coach may address referee only to request clarification of ruling, timeout or substitution
- Timeout requests – request to be made by captain or head coach when ball is dead
 - Teams are allowed two 30 second timeouts per game
 - Players must remain on the court during timeouts

The Teams

- Compositions of Teams and Substitutions
 - A team shall consist of six players. The complete team, including substitutions, may not exceed twelve players
 - Teams are allowed free substitutions
- Choice of Playing Area or Serve
 - Decided by coin toss. Winner chooses either first serve or playing area for first game
- Interruption of Play
 - Play may be stopped at any time when an injured player, foreign object, or hazard is noticed by the referee. The referee will direct a replay

Commencement of Play and the Services

- The Service – putting the ball in play by the player in the right back position who hits the ball with the hand or arm
 - Serve must be started within eight seconds of referee signal. The referee will blow the whistle to call for the serve
 - The ball shall be cleanly hit. If the ball falls without being hit by the server, a replay will be allowed only once during a service rotation
 - The server must be within the service area at the time of striking the ball for the serve. Server may not touch back or side lines of the court. (In Division IV and Developmental the service line may be moved closer to the net, but no closer than 14' 9" or 4.5m.)
 - A good serve passes over the net between the antennas. A let serve is good and is played
 - If served prior to referee signal, in Division IV and Developmental, the server will re-serve, for Division I, II, and III the serve will be a side out
- Serving Faults – side outs and change of service will be called for the following:
 - Ball passed under net
 - Ball passes outside of or hits antenna
 - Ball touches player on serving team or any object prior to entering opponent's area
 - The ball lands outside of opponents playing area
 - Blocking or spiking a serve is illegal
- Duration of Service – player continues to serve until fault is committed by serving team
 - In Divisions IV and Developmental, after five consecutive successful serves, a side out will be called and serving will change to the opponent
- Serving Out of Order – team loses serve and any points won during service. Team must resume correct serving order
- Change of Service – the team receiving the ball for service rotates on position clockwise before serving
- Positions of Players at Service – placement of players must conform to service order

- All players with the exception of the server must be on the court. Center front and center back players may be no further left or right than the players on their left or right. Back court players may be no nearer the net than their corresponding front court players. After the ball is contacted, players may move from their respective positions
- Serving order remains the same for the entire game
- Serving orders may be changed after each game

Playing the Ball

- Maximum of Three Team Contacts – a maximum of three consecutive team contacts to return the ball to opponents play area is allowed
- Contacted Ball – player who contacts the ball or is contacted (hit) by the ball is counted as one contact
- Contact to Ball with Body – ball may be hit with any part of the body
- Simultaneous Contact with the Body – ball may be contacted by any number of parts of the body as long as contact is simultaneous
- Successive Contact – players may have successive contacts of the ball during a block as long as there is no finger action used to direct the ball. Any other successive hit shall be a double hit and considered a fault
- Held Ball – when ball visibly rests momentarily on hands or arms. Ball must be clearly hit
- Simultaneous Hits by Opponents – if held simultaneously it is a double fault and a replay is called
 - If contacted simultaneously and not held, play will continue
 - After this, the team to whose side the ball falls will have the right to play the ball three times
 - If, after this, the ball falls out of bounds, the team on the opposite side shall be called for hitting the ball out of bounds
- Ball Played by Teammates – when two players of the same team contact the ball simultaneously this is counted as one contact and either player may take the next contact
- Blocking – action close to the net to prevent the ball from coming from opponent's area. A blocked ball is considered to have crossed the net
 - Blocking may be done only by players in the front row
 - Multiple contacts of the ball are permitted during one block attempt
 - Any player participating in the block may make next contact. This next contact is counted as one of the three allowed the team
 - **Team blocking the ball is permitted three additional contacts after the block**
 - Backline players may not block, but may play the ball in any area on the court
 - Blocking a serve is prohibited
 - Blocking ball across the net above the opponents court is legal if:
 - Ball had intentionally been directed into opponent's court (spike)
 - Opponents have completed three hits
 - Ball is directed over the net or falling near the net and no player on attacking team can make a play
 - Ball Contacting Top of Net and Block – if ball contacts the top of the net and is blocked and falls in the attacker's area, the attacking team is entitled to three hits
 - Backline Attacker – a backline player returning a ball to the opponent's area while inside the attack area, must contact the ball below the top of the net. This does not apply if the backline player jumps from clearly behind the attack line and lands in the attack area. Penalty for infraction is a fault. The attack area is 10 feet from the net

Play at the Net

- Ball Contacting and Crossing the Net – shall remain in play provided contact is between the net antennas or their assumed extensions

- Player Contact with Net – player contacting the net during play with any part of the body or uniform will be called for a fault. If the ball is hit into the net causing the net to touch the player, no fault is called
- Simultaneous Contact by Opponents – If opponents contact the net simultaneously, the referee will call a double fault and direct a replay
- Contact by Player Outside of Net – accidental contact of supports, referee's stand, etc. shall not be a fault

Dead Ball – Ball Becomes Dead when:

- The ball touches the net antennas or does not pass entirely between the net antennas
- The ball lands out of bounds
- The ball contacts the ceiling or an overhead obstruction and is not legally played next by the offending team
- The ball contacts the ceiling or an overhead obstruction after the third hit
- The ball contacts a wall or ceiling obstruction which is over an unplayable area
- The ball becomes motionless in the net or on an overhead obstruction
- The ball touches the floor
- The ball passes completely under the net
- The ball contacts a non-player in a playable area
- A ball (from the direction of the court) or a player breaks the plane of an unplayable area
- A player commits a fault
- An official's whistle or timer's audio signal sounds for any reason

Team and Player Faults

- Double Fault – opposing players commit faults simultaneously. Replay will be directed
- Faults at Approximately the Same Time – first offense shall be penalized. If not able to determine, will be called a double fault and replay directed
- Penalty for Committing Faults – if the serving team commits a fault, side out is declared. If receiving team commits a fault, serving team is awarded a point
- Team and Player Faults include:
 - Ball touches floor
 - Ball is held, thrown, or pushed
 - Team plays ball more than three times consecutively
 - Player touches ball twice consecutively
 - Team is out of position at service
 - Player touches net or antenna
 - Player completely crosses center line and contacts opponent's playing area
 - Player attacks ball above opponent's playing area
 - Backline player attacks hit ball into opponents playing area from above the net while in attack area
 - Ball does not cross net entirely between antennas
 - Ball lands outside court or touches object outside court
 - Ball is played by a player being assisted by a teammate
 - Player receives a personal penalty
 - Player reaches under the net and touches the ball or opponent while the ball is being played by the opponent
 - Game is delayed persistently
 - Players disrupting opponents
 - Illegal blocking
 - Illegal serve or service fault

Scoring and Result of the Game

- When a Point is scored – each time the ball is served a team is awarded a point
- Winning Score – rally scoring will be used. In the morning, a game is won when a team scores 15 points and has a two point advantage. In the afternoon, a game is won when a team scores 21 and has a two point advantage
- Pool play – will be used in the morning. One game will be played with each team in your division
- Bracket play – will be used in the afternoon. Two games to 21 and if needed, a third game tie breaker to 11. Single elimination play

Game Procedures

- Pregame
 - Call captains together for coin toss
 - Three minute warm-up period on court
 - Team line up at back line of respective courts and take positions upon whistle and signal of referee
 - Second referee verifies line up and service order
- Start of Game
 - Prior to serve, players will halt movement
 - Serve is made upon whistle and signal of first referee
- Substitution Procedures
 - Substitutes approach a referee and wait to be recognized for entry into the game
 - Substitutes entering and players leaving will touch hands and wait to be recognized by the second referee
- End of Game and Start of Next Game
 - Players line up at the net and shake hands with opposing team at the conclusion of the game

ATHLETE CODE OF CONDUCT

(Coaches keep for their record)

Special Olympics Iowa adheres to the highest ideals of sport in the tradition of the Olympic Movement. The Special Olympics Oath, "Let me win, but if I cannot win, let me be brave in the attempt," represents the ideal of competition that every Special Olympics athlete tries to achieve.

I understand that my participation in Special Olympics is a call to excellence for me to train and compete in ways that bring honor to me, to my family, and to Special Olympics. I pledge to uphold the spirit of this Code of Conduct, which is only a general guide for my conduct and does not describe all types of good behavior and bad behavior. If I do not obey this Code of Conduct, my Delegation or a Games Organizing Committee may suspend me from Special Olympics, either temporarily or permanently. If I am suspended from Special Olympics, I can appeal the decision in accordance with the attached Special Olympics Athlete's Appeal Process.

***Prior to Special Olympics Iowa reinstatement, the athlete is required to sign a new Athlete Code of Conduct.**

I Pledge that:

Sportsmanship

- I will practice good sportsmanship and act in ways that will bring respect to my coach(s), my delegation, Special Olympics Iowa, and me
- I will not use bad language, such as swearing or insulting other persons, and will not verbally or physically make inappropriate contact with other athletes, coaches, volunteers, staff, spectators or anyone else affiliated with SOIA

Training & Competition

- I will train regularly and attend scheduled practices and meet training criteria set by my coach(s)
- I will try my best during, training/practice, and competitions
- I will learn and follow the rules of my sport(s)

Personal Responsibility

- I will not make unwanted physical, verbal, or sexual advances on others
- I will dress and act, at all times, in a professional manner that will be a credit to Special Olympics Iowa
- I will not drink alcohol, smoke tobacco in non-smoking areas, or use illegal drugs at Special Olympics sites
- I will obey all laws and Special Olympics rules

By signing below, I am saying that I have read, or have had read to me, this Athlete Code of Conduct and that I agree to obey this Code of Conduct. If I violate this Code of Conduct and disagree with my disciplinary action, I agree to follow the Special Olympics Athlete's Appeal Process and I will accept their decision as final.

DISCIPLINARY STEPS FOR VIOLATING ATHLETE CODE OF CONDUCT

The following progressive disciplinary steps may be taken with the delegation beginning at whichever step is deemed appropriate under the circumstances by a sanctioned representative. The representative must notify the Area Director and State Office of any action that is taken.

Step 1 Verbal warning to the athlete and to the parent/guardian or caseworker with a written copy of the Incident Form to the Area Director and State Office.

Step 2 A written Incident Report must be completed giving warning to the athlete with a copy to the Area Director, State Office, and parent/guardian or caseworker.

Step 3 A personal meeting to review the unacceptable behavior of the athlete and to agree on a plan for behavior improvement shall be conducted by the local coach with the athlete, the athlete's parent(s)/guardian(s) and/or the athlete's case worker. If the athlete is over 18 and his/her own guardian, then the athlete may choose to have another adult present for the meeting. If necessary, the Area Director and/or SOIA staff may attend the meeting.

The meeting shall be documented in writing. Meeting notes will be distributed to the athlete, the athlete's parent(s)/guardian(s) and/or caseworker, Area Director and the State Office.

Step 4 Suspension from practices or competition for a specific time period (such as during the specific Sport season).

The Area Director and State Office must be contacted before an athlete is suspended. The action will be documented in writing and presented to the athlete, parent/guardian or caseworker, Area Director, and a copy sent to the State Office.

Any further action must be approved by the Area Director and State Office

Further action could be, but is not limited to:

- Suspension for a longer period
- Permanent expulsion

Athlete Appeal Process

The athlete has the right to appeal any disciplinary action to the State Office. The athlete or the athlete's representative must submit a written notice of appeal to the President/CEO of SOIA. This notice must include a request for a meeting within 30 days of being notified of the disciplinary action.

The appeal will be heard by a designated advisory committee. A decision must be rendered in writing within 21 days following the meeting and may reverse, amend or affirm the disciplinary action. The decision shall be submitted to the athlete and to their local delegation and should include, if applicable, a plan of action for the athlete to correct the unacceptable behavior that led to the disciplinary action.

If you answered "yes" to any of the above questions, please explain:

I certify that the information provided is true and complete to the best of my knowledge. I have not withheld any information that could affect my application unfavorably, if included. I understand that Special Olympics Iowa (SOIA) may refuse to allow me to volunteer if I provided any incorrect information or omission. I understand that in the course of volunteering for Special Olympics Iowa, I may be dealing with confidential information and I agree to keep said information in the strictest confidence.

In consideration of SOIA considering my application, I have given my permission for SOIA to obtain information relating to my criminal history record, if any, and my motor vehicle driving record. Those records may include arrest and conviction date as well as plea bargains and deferred adjudication. I understand that this information will be used, in part, to determine my suitability for a volunteer position with SOIA and that as long as I remain a volunteer with SOIA, the criminal history records check and motor vehicle driving records check may be repeated any time. Upon my request, I will have an opportunity to review criminal history and motor vehicle driving records obtained by SOIA.

I fully understand Special Olympics Iowa events involve risks of serious bodily injury which may be caused by my own actions or inactions, by the actions of others participating in the event, or by conditions in which the event takes place. I fully accept and assume all such risks and all responsibility for losses, costs, and/or damages I may incur as a result of my participation. I acknowledge that at any time that if I feel that the event conditions are unsafe, I will discontinue participation immediately. I represent that I understand the nature of the event and that I (and/or my minor child) am (are/is) qualified, in good health, and in proper physical condition to participate in Special Olympics Iowa events.

If during my participation in Special Olympics Iowa activities I should need emergency medical treatment and I am not able to give my consent for or make my own arrangements for that treatment because of my injuries, I authorize Special Olympics to take whatever measures are necessary to protect my health and well-being, including, if necessary hospitalization.

I WAIVE, RELEASE AND DISCHARGE Special Olympics Iowa, its officers, directors, employees, volunteers, agents and representatives from any liability for all damages and losses of whatever kind or nature that may result in connection with participating in SOIA events and conducting a criminal history records check or motor vehicle driving records check on me.

I understand that my volunteer service can be modified or terminated with or without notice or cause, at any time, at the option of SOIA or at my option and that SOIA may, in its sole discretion, decline to accept my application for volunteer with or without cause.

I grant Special Olympics Iowa and Special Olympics, Inc. permission to use my likeness, voice, and words in or on telephone, radio, film, and on SOIA and Special Olympics, Inc.'s website(s), or in any other form, format, or media, to promote Special Olympics and its mission and to raise funds for Special Olympics.

In signing this application, I have read the foregoing information, and I agree to comply with the volunteer or coach code of conduct and all Special Olympics rules and regulations of the organization.

I HAVE READ AND UNDERSTAND THIS DISCLOSURE, RELEASE AND WAIVOR OF LIABILITY, ASSUMPTION OF RISK, AND IDEMNITY AGREEMENT AND AUTHORIZATION TO OBTAIN INFORMATION.

PROTECTIVE BEHAVIOR TRAINING

SLIDES

The goal of this presentation is prevention of sexual abuse of Special Olympics athletes. It also addresses physical and emotional abuse.

(If you take Protective Behavior Training online - After you click Finish, you will be directed to a Confirmation Form to fill out and submit. Once you click submit, both you and the Special Olympics program in your state will receive confirmation that you have taken the test)

Actions Special Olympics has Taken to Protect Athletes:

- This protective behavior training
- Volunteer screening requirements in the US
- Codes of conduct for athletes and coaches
- Policy prohibiting volunteers or staff in authority positions from dating athletes

Special Olympics US Volunteer Screening Policy

- The foremost goal of the volunteer screening policy is to protect the safety and well-being of athletes
- Special Olympics screens prospective Class A volunteers
- Class A volunteers are re-screened every three years
- If screening reveals criminal history involving certain offenses, the volunteer is prohibited from participation

Who is a Class A Volunteer?

Definition:

- Volunteers who have regular, close, physical contact with athletes
- Volunteers in a position of authority or supervision with athletes
- Volunteers in a position of trust of athletes
- Volunteers who handle substantial amounts of cash or other assets of the Program

Examples:

- Coaches, Unified partners, chaperones, overnight hosts, ALPs mentors, drivers of athletes
- May also include Fundraising Event Committee members, board members, and Games Management team members

Benefits and Limitations of the Volunteer Screening Policy

- Volunteer screening is a tool Special Olympics uses to help protect athletes, but it is not fool-proof
- Many predators do not have criminal records
- Your job as a volunteer is to be vigilant and report any behavior or activity that does not appear appropriate based on
 - Your personal experience, or
 - Warning signs identified in this presentation

Codes of Conduct

Codes of Conduct are in effect and enforced for athletes, coaches and volunteers.

- All Special Olympics Programs are required to have a code of conduct for athletes and coaches. The codes below list the minimum standards set by Special Olympics. Please check with your local Special Olympics Program to see if there is a more restrictive code for that Program. To locate the Special Olympics Program near you, use our Program Locator
 - Athlete Code of Conduct
 - Coach Code of Conduct
 - Volunteer Code of Conduct
- Each Program is responsible for establishing guidelines for sanctions related to breach of these codes of conduct
- Included in the codes of conduct are references to the prohibition of volunteers or staff in authority positions dating athletes

Prevention:

Recognizing Sexual Predators

A sexual predator could be anyone. There is no “look” or behavior pattern that sets them apart. Sexual Predators:

- Target vulnerable populations (such as children and individuals with intellectual disabilities)
- Come from all backgrounds
- Can be male or female
- Are generally very likeable and have warm personalities
- May have limited relationships with other adults
- Remind athletes and families that not everyone who comes to a Special Olympics event is a volunteer who has been screened and is assumed to be “safe”

Sexual Abuse

- For athletes requiring assistance with changing, toileting or showering, it is a best practice if two volunteers are present
- Private conversations with athletes should be within sight of others who are aware of the conversation
- Hugs should respect both athlete and volunteer limits and never be secretive
- Touching should avoid areas a traditional swimsuit would cover
- Be aware of unusual or inappropriate gifts, trips, affection or attention from a volunteer
- Be aware of relationships between volunteers and athletes that become private or secretive
- Be clear and direct about pointing out inappropriate behavior

Inappropriate Behavior

Inappropriate gifts, trips, outings, or other gestures of affection from a volunteer include:

- Invitations for sleepovers at a volunteer's house
- Invitations to parties at a volunteer's house where parents or care providers are not included
- Excessive displays of interest in a particular athlete or group of athletes (such as all male athletes or only athletes under the age of 13)

Tips for Travel

- Be sure to separate sleeping rooms by gender
- Try to assign roommates based on similar age, maturity and size
- Establish a plan for checking on each room/athlete
- Clearly explain rules and behavior expectations of both chaperones and athletes before each trip

Emotional Abuse

- Profanity is never allowed
- Treat athletes with respect and provide encouragement
- Do not allow demeaning nicknames even among teammates
- Discipline should be part of a meaningful behavior modification strategy and never acted on in anger

Physical Abuse

- Corporal punishment is never allowed no matter who says it is OK
- Withholding food or water is maltreatment and strictly prohibited
- Only give prescribed medications in accordance with state regulations (consult your Special Olympics Program office for those regulations)
- Be aware of athlete sensitivity to temperature, sound and touch

How to Recognize Abuse

- Changes in behavior may offer the only visible clue that an athlete is the victim of abuse. Abuse causes stress and victims often exhibit stress related behavior
 - Depression
 - Withdrawal (including loss of interest in participation in Special Olympics)
 - Thoughts of or attempts at suicide
 - Aggression
 - Immature acts
 - Sleep disturbances
- Uncharacteristic changes in behavior that last for more than a few days indicate a possible need for intervention, but are not a certain indicator of abuse as there are other causes of stress. The absence of behavioral indicators does not indicate a lack of abuse
- Statements by the athlete concerning inappropriate touching or physical harm
- Physical indicators of abuse
 - Questionable injuries such as bruises or lacerations in the soft tissue areas of an athlete's body. Bruises change color during the healing process and bruises of different colors indicate different stages of healing, thereby indicating that the injuries happened on more than one occasion
 - Injuries to genital areas may indicate sexual abuse; for example, cigarette burns on the inside of the upper leg or on the buttocks
 - Tether marks or rope burns and abrasions caused by tying wrists, ankles or the neck are also indicators of probable abuse
- Some athletes are prone to injuries as a consequence of athletic competition. The location of the injury may indicate whether the injury was due to abuse or competition. Injuries that happen due to athletic competition are most likely to be on the shins,

knees, elbows, etc. They are less likely to be on the abdomen, across the back, on the backs of the legs, or on facial cheeks

- Possible signs of neglect include
 - Unattended medical needs
 - Inappropriate clothing for the climate and weather conditions
 - Chronic hunger and poor personal hygiene

Reporting Suspicious Activity

- Suspicious activity should be reported to Special Olympics staff
- Reports will be reviewed and reported as appropriate
- Suspensions may be utilized during investigations
- Special Olympics reserves the right to expel athletes or volunteers as a result of suspected or confirmed physical, sexual or emotional abuse of a Special Olympics athlete

Be Ready To Say:

- What makes you think this activity is suspicious
- When you witnessed the activity - or first suspected it

Who To Tell:

- If the activity is during Special Olympics functions, tell local Special Olympics leadership (preferably staff)
- If you suspect that an athlete is in immediate danger, notify the police, and then Special Olympics staff
- If you are a mandatory reporter under your state's laws, report as required by statute in addition to the report you file with Special Olympics
- Reporting is NOT the same as accusing. It just alerts professionals to investigate

Am I A Mandatory Reporter Under My State's Laws?

- Nearly all states have laws that require some individuals to report suspected abuse (such as teachers, healthcare providers, etc.)
- In some states, everyone is a mandatory reporter
- Utilize the Child Welfare Information Gateway website below to familiarize yourself with your state's reporting requirements. On the site, choose the state that you wish to check and under the "Child Abuse and Neglect" heading, check "Mandatory Reporters of Child Abuse & Neglect" and then click "Go"

PARTICIPANT RELEASE FORM

Special Olympics

Name: _____

Delegation: _____

Date of Birth: ____ / ____ / ____

Gender: ☐ Female ☐ Male

Person Type: ☐ Athlete (8+) ☐ Unified Partner (2-17) ☐ Young Athlete (2-7 years)

I agree to the following:

1. **Ability to Participate.** I am physically able to take part in Special Olympics activities.
2. **Likeness Release.** I give permission to Special Olympics to use my photo, video, name, voice, and words to promote Special Olympics and raise funds for Special Olympics. For this form, "Special Olympics" means all Special Olympics organizations.
3. **Risk of Concussion and Other Injury.** I know there is a risk of injury. I understand the risk of continuing to play sports with a concussion or other injury. I may have to get medical care if I have a suspected concussion or other injury. I also may have to wait 7 days or more and get permission from a doctor before I start playing sports again.
4. **Emergency Care.** If I am unable, or my guardian is unavailable, to consent or make medical decisions in an emergency, I authorize Special Olympics to seek medical care on my behalf, unless I mark one of these boxes:
 - ☐ I have a religious or other objection to receiving medical treatment.
 - ☐ I do not consent to blood transfusions.(If either box is marked, an EMERGENCY MEDICAL CARE REFUSAL FORM must be completed.)
5. **Overnight Stay.** For some events, I may stay in a hotel or someone's home. If I have questions, I will ask.
6. **Health Programs.** If I take part in a health program, I consent to health activities, screenings, and treatment. This should not replace regular health care. I can say no to treatment or anything else at any time.
7. **Personal Information.** I understand that Special Olympics is collecting my personal information.
 - I consent to Special Olympics using my personal information in order to: make sure I am eligible and can participate safely; run trainings and events; share competition results (including on the Web and in news media); provide health treatment if I participate in a health program; analyze data for the purposes of improving programming and identifying and responding to the needs of Special Olympics participants; perform computer operations, quality assurance, testing, and other related operations and activities; and provide event-related services.
 - I consent to Special Olympics using my email address and creating a profile of me for communications and marketing purposes.
 - I understand that Special Olympics may disclose my personal information to medical professionals in the event of an emergency and to third party researchers to analyze data for the purposes of improving Special Olympics programming and identifying and responding to the needs of Special Olympics participants.
 - I understand that Special Olympics may disclose my personal information to government authorities for the purpose of assisting me with any visas required for international travel to Special Olympics events and for any other purpose necessary to protect public safety, respond to government requests, and report information as required by law.
 - I understand Special Olympics is a global organization with headquarters in the United States of America. I consent to Special Olympics storing and processing my personal information in countries, including the United States of America, that have laws requiring a different level of privacy and data protection.
 - I have the right to ask to see my personal information or to be informed about the personal information that is processed about me. I have the right to ask to make changes to or delete my information.
