Game Notes

On Field 43 the game between Eric & The Domino's and The Arc Storm will start following the conclusion of the Skills Competition.

Games may be played early if fields are ahead of schedule and teams may be moved to an open field - all teams must be ready to play when called.

Games may be shortened to 45 minutes to one hour due to inclement/hot weather.

If your team has a double header, a break will be given prior to the next game in order for your team to get rest and prep for the next game.
