PRELIMINARY

Required Communication

We have audited the financial statements of Special Olympics Iowa, Inc. (the Organization), as of and for the year ended December 31, 2021 and have issued our report thereon dated ______, 2022. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated December 23, 2021, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of Ameria. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Special Olympics Iowa, Inc. solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

Significant Risks Identified

We have identified the following significant risks, both of which are inherent in substantially all audit engagements:

- Revenue recognition is considered a fraud risk on substantially all audit engagements as it is generally the largest line item impacting the organization's financial position. In addition, complexities exist surrounding the application of Accounting Standards Codification (AS) 606, which was previously effective, but continues to create complexity as organizations obtain new or modify existing revenue sources.
- Management override of internal control is considered a risk in substantially all engagements as management may be incentivized to produce better results.

Qualitative Aspects of the Entity's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Organization is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their applications during 2021. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. The most sensitive estimate affecting the Organization's financial statements is management's estimate of functional allocation of expenses which is based on periodic time and expense studies.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Organization's financial statements relate to fair value measurements of investments and endowment disclosures.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Our audit for the year ended December 31, 2021 did not detect any uncorrected misstatements.

Uncorrected and Corrected Misstatements (Continued)

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. None of the misstatements identified by us as a result of our audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Special Olympics Iowa, Inc.'s financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in a separate letter dated ______, 2022.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings or Issues

In the normal course of our professional association with Special Olympics Iowa, Inc., we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating conditions affecting the entity, and operating plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Organization's auditors.

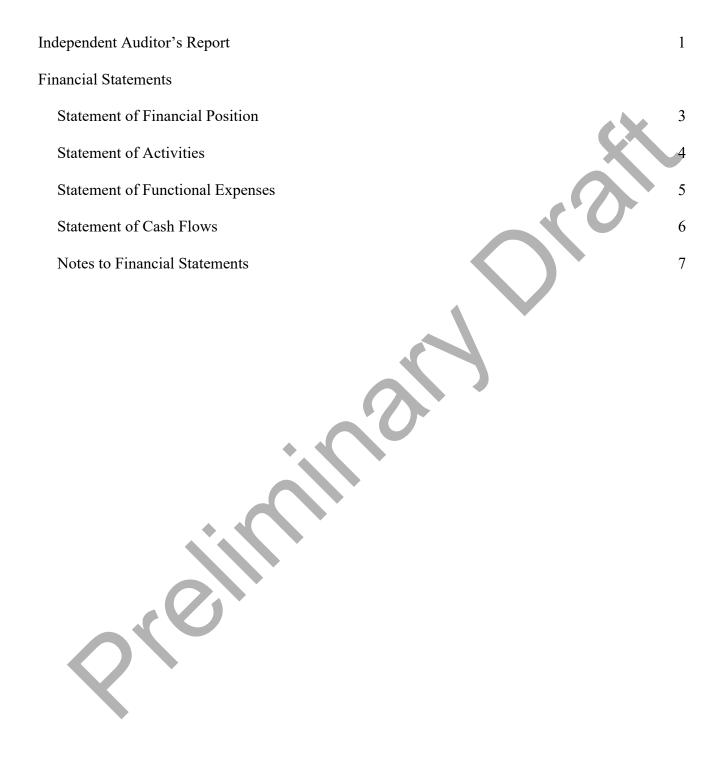

This report is intended solely for the information and use of the Board of Directors and management of the Organization and is not intended to be and should not be used by anyone other than these specified parties.

Special Olympics Iowa, Inc. Table of Contents

Independent Auditor's Report

To the Board of Directors Special Olympics Iowa, Inc. Grimes, Iowa

Opinion

We have audited the financial statements of Special Olympics Iowa, Inc., which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Special Olympics Iowa, Inc. as of December 31, 2021, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Special Olympics Iowa, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Special Olympics Iowa, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Special Olympics Iowa, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Special Olympics Iowa, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Special Olympics Iowa, Inc.'s 2020 financial statements, and we expressed an unmodified on those audited financial statements in our report dated August 31, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

The Organization considers all checking, savings, money market accounts, and highly liquid investments with initial maturity of three months or less to be cash and cash equivalents. Donated securities that are immediately converted to cash or cash equivalents and are not restricted by donors for long-term purposes are recorded as cash inflows from operations within the statement of cash flows.

Promises to Give

The Organization distinguishes between contributions received with donor restrictions and those without donor-imposed restrictions. Contributions with donor-imposed restrictions are reported as increases in net assets with donor restrictions unless the Organization meets the donor-imposed restriction on all or a portion of the amount contributed in the same reporting period in which the contribution was received. In those cases, the contributions, to the extent the restrictions have been met, are reported as increases in net assets without donor restrictions. Receipts of unconditional promises to give with payments due in future periods are reported as increases in net assets with donor restrictions unless it is clear that the donor intended the gift to be used to support activities in the current period.

Unconditional promises to give with payments due in future years are recorded at the present value of estimated future cash flows. The discounts on those amounts are computed using a risk-free interest rate applicable to the year in which the promise was received. Amortization of the discount is included in contribution revenue. Conditional promises to give are not included as support until such time as the conditions are substantially met. All promises to give at December 31, 2021 were expected to be collected within the next year; therefore, there is no unamortized discount as cost represents net realizable value.

Investments

Investments in marketable equity securities and debt securities are carried at fair value, determined by market values of the securities, and realized and unrealized gains and losses are reflected in the statement of activities net assets without donor restrictions.

Certificates of Deposit

The Organization considers all certificates of deposits with initial maturities greater than three months to be short-term investments that are recorded at fair market value.

Property and Equipment

Additions to property and equipment are recorded at cost or estimated fair value at the date of donation. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets, ranging from 3 to 50 years. The applicable accounts are relieved of costs and related accumulated depreciation when any items are sold or otherwise disposed. Gain or loss is recorded at that time.

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Perpetual Trust

A perpetual trust is an arrangement in which a donor establishes and funds a perpetual trust administered by an individual or entity other than the organization. Under the terms of the trust, the Organization has the irrevocable right to receive the income earned on the trust assets in perpetuity, but never receives the assets held in trust. Under this arrangement, the present value of the estimated future cash receipts from the trust assets (generally equal to the fair value of the assets contributed to the trust) is recorded as a donor restricted contribution revenue in the year the trust is established. Annual distributions are reported as contribution income and classified according to any restrictions on distributions. Adjustments to the amount reported as an asset are based on an annual review using the same basis as was used to measure the asset initially and are recorded in the statement of activities under the caption "change in beneficial interests." The perpetual trust is adjusted annually to its fair market value.

Beneficial Interests in Community Foundations

The Organization is the beneficiary of two accounts, one held at the Community Foundation of Greater Des Moines (CFGDM), and one held at the Community Foundation of Greater Dubuque (CFGD), under the Endow Iowa provisions of the Iowa Code. Pursuant to these agreements, the Organization may receive distributions from the fund not exceeding 5% of the balance of the previous year end. Although CFGDM and CFGD has the power to modify restrictions or conditions on the distributions under certain conditions, the Organization does not consider this to effectively constitute variance power, due to the unlikelihood of such conditions occurring.

The balances of both accounts are being accounted for as beneficial interests and are valued at the fair value of the underlying assets. The balances of the beneficial interests were \$15,020 and \$25,838 as of December 31, 2021.

Adjustments to the amount reported as an asset are based on an annual review using the same basis as used to initially measure the asset and are recorded in the statement of activities under the caption "change in beneficial interests."

Classification of Net Assets

Without Donor Restrictions – assets that are available for use in general operations and not subject to donor restrictions. The Organization's governing board may earmark portions of its net assets without donor restrictions as board-designated for various purposes.

With Donor Restrictions – assets that are subject to donor restrictions. Some donor-imposed restrictions are temporary in nature such as those that will be met by the passage of time or by actions of the Organization meeting the purpose of the restriction. Other donor-imposed restrictions are perpetual in nature, such as endowment type funds, where the donor stipulates those resources be maintained in perpetuity.

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Contributions are recognized when cash, other assets, or an unconditional promise to give is received.

The Organization also receives program revenue from registrations, concessions, and souvenir sales. The Organization applies the five-step revenue model under FASB ASC 606 to determine when revenue is earned and recognized.

The Organization follows Financial Accounting Standards Board Topic 958-605, *Revenue Recognition for Not-for-Profit Entities,* in accounting for its Paycheck Protection Program (PPP) loan and Employee Retention Credits (ERC). The PPP loan and ERC are effectively accounted for as conditional grants (See Note 12).

Donated Property and Services

Donated property or equipment is generally reflected as a contribution in the financial statements at its estimated fair market value at the date of receipt.

Donated services are recognized as contributions if the services (1) create or enhance nonfinancial assets or (2) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization.

A number of individuals volunteer their time, including area directors and coaches, for the Games and Competitions program. These contributions for 2021 of \$127,279 are reflected in the financial statements at the estimated fair market value at the time the service is performed.

Special Events

All revenue relating to special events is recorded as special event revenue. The portion of special event revenue that are contributions, including in-kind contributions, are recognized in accordance with authoritative guidance over contributions from special events. The costs of all food, beverages, and entertainment for donors are reported as costs of direct benefits to donors. All other expenses of promoting and conducting the special event are reported as fundraising.

All other event revenues relate to programming and are not recorded as special events.

Expiration of Donor-Imposed Restrictions

The Organization recognizes the expiration of donor-imposed restrictions on contributions in the period in which the restriction expires. A restriction expires when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Expirations are recorded separately in the statement of activities as reclassifications.

Functional Expense Allocations

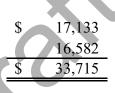

The allocation of expenses shown on the statement of functional expenses is made by management using estimates of time and effort based on historical data combined with their knowledge of the current year activities.

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Joint Costs

The Organization has a third-party vendor that provides certain telemarketing services on its behalf. These services include soliciting contributions, recruiting volunteers, and promoting awareness of the Organization. The costs of conducting these activities are allocated by management based on the content of the telemarketing scripts as follows:

Program costs Fundraising costs

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Income Taxes

The Organization is a not-for-profit entity exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code of 1986. The Organization has filed for and received income tax exemption in the various jurisdictions where they are required to do so. The Organization files a form 990 tax return in the U.S. federal jurisdiction.

Recently Issued Accounting Pronouncements

Leases

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*. The new guidance will require all leases to be recorded as assets and liabilities on the balance sheet. This update would require capitalization of the "right to use" an asset and recognition of an obligation for future lease payments for most leases currently classified as operating leases. Other leases currently classified as capital leases will be referred to as financing leases and will continue to be recorded as assets and liabilities in a similar manner. In June of 2020, the FASB issued ASU No. 2020-05 which defers the effective date making it effective for annual reporting periods beginning after December 15, 2021, with early adoption permitted. The provisions of this ASU are to be applied using either the retrospective approach or modified retrospective approach. The Organization is currently evaluating the impact this standard will have on its financial statements.

Nonfinancial Assets

In September 2020, the FASB issued ASU No. 2020-07 Not-for-Profit Entities (Topic 958): *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, which is intended to improve transparency in the reporting of contributed nonfinancial assets, also known as gifts-in-kind, for not-for-profit organizations to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash or other financial assets. The amendments in this ASU should be applied on a retrospective basis and are effective for annual reporting periods beginning after June 15, 2021. Early adoption is permitted. The Organization is currently evaluating the impact this standard will have on its financial statements.

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

Management of the Organization has evaluated subsequent events through ______, 2022, the date the financial statements were available to be issued.

NOTE 2 – CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of demand deposits located at a financial institution. These demand deposits exceeded the FDIC insurable limit of \$250,000 at times throughout the year.

NOTE 3 – LIQUIDITY AND AVAILABILITY

The Organization regularly monitors the availability of resources required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For purposes of analyzing resources available to meet general expenditures over a 12-month period, The Organization considers all expenditures related to its ongoing activities of games and competitions in its availability as well as the conduct of services undertaken to support those activities to be general expenditures.

Financial assets available for general expenditure that are without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following as of December 31, 2021:

Cash and cash equivalents	\$ 2,058,941
Accounts receivable	272,748
Grants receivable	14,833
Promises to give	159,007
Investments	1,208,164
Certificates of deposit	169,479
	\$ 3,883,172

Additional assets the Organization expects to have available for general expenditures include annual distributions from the Organization's beneficial interest in community and perpetual trusts.

NOTE 4 – FAIR VALUE MEASUREMENTS

210

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy prioritizes the inputs into three broad levels as follow:

- Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.Level 2: Inputs are quoted prices for similar assets and liabilities in active markets or inputs that are observable, either directly or indirectly through market corroboration, for
- Level 3: Inputs are unobservable inputs based on the organization's own assumptions used to
- Level 3: Inputs are unobservable inputs based on the organization's own assumptions used to measure assets and liabilities at fair value.

NOTE 6 – ENDOWMENT FUNDS

The Organization's endowment consists of gifts from donors to support their mission held as beneficial interests at the CFGDM, CFGD, and a perpetual trust held by a trustee. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Spending Policies

The Organization has adopted the distribution and spending policies of CFGDM and CFGD, which allow but do not require the distribution of up to 5% of the balance at December 31 of the previous year. The distributions from the beneficial interest in a perpetual trust is determined by the trustee rather than the Organization.

NOTE 6 – ENDOWMENT FUNDS (CONTINUED)

Investment Policies

The investment management of the beneficial interests held at the CFGDM and CFGD are the responsibility of the CFGDM and CFGD per contracts the Organization was required to sign upon the creation of their accounts with these organizations. The investment management of the beneficial interest in a perpetual trust is determined by the trustee rather than the Organization.

Interpretation of Relevant Law

The Organization has interpreted the State of Iowa State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization retains in perpetuity (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts to the endowment, and (c) any accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not retained in perpetuity is subject to appropriation for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) duration and preservation of the fund, (2) the purpose of the donor restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and appreciation of investments, (6) the Organization's spending policy for endowment funds, and (7) the Organization's investment policies.

From time to time, certain donor-restricted endowment funds may have fair values less than the amount required to be maintained by donors or by law (underwater endowments). We have interpreted SPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law.

Under the terms of the loan, the Organization applied for and was granted forgiveness for the loan. In order to meet the conditions for forgiveness, the Organization was required to maintain certain employee levels and use the proceeds on eligible expenses including payroll, benefits, rent, and utilities within a specified period. The Organization recognized the entire \$244,295 as grant revenue in 2020, as conditions were met, that is, eligible expenses were incurred. The loan was forgiven by the SBA in November 2020.

NOTE 12 – CONTINGENCIES (CONTINUED)

On February 3, 2021, the Organization applied for and obtained a second PPP loan in the amount of \$264,847, administered by the SBA, established under the Economic Aid to Hard-Hit Small Business, Nonprofits, and Venues Act (the Economic Act). Under the terms of the loan, the Organization applied for and was granted forgiveness the loan. All conditions for forgiveness were met during 2021, and the loan was forgiven by the SBA in August 2021.

The Organization must retain all records relating to the two loans for six years from the date of forgiveness and must permit authorized representatives of the SBA, including representatives of its Office of Inspector General, to access such files upon request.

In November 2021, the Organization applied for Employee Retention Credits (ERC) in the amount of \$272,748 for the year ended December 31, 2021. To qualify for the credit, the Organization must meet certain criteria based on either significant decline in gross receipts or either fully or partially suspended operations by a government order. The credit is based on eligible wages and certain employee benefits paid by the Organization. The credit claim is reflected in accounts receivable on the December 31, 2021 statement of financial position and included under grants and appropriations within the statement of activities for the year then ended. The credit claim was received by the Organization subsequent to the year ended December 31, 2021.
