Previous experience (if any) with Special Olympics Iowa, (or another SO organization), or working with individuals with intellectual disabilities. I have volunteered for numerous events for the SO over the past years, including UNI Dome (track & field), Mapes Lanes in Waterloo (bowling) and most noticeably the annual event in Ames (track & field). LSB has been a large sponsor of SP for many consecutive years and have had many from our organization volunteer at these events. I have a niece in the area where I live with down syndrome that has been a big part of our lives and is very close to my family. She has been inspirational to all of us and was a big part of why I wanted to volunteer at SO events.

I have made SO a part of my annual donations through the LSB Foundation.

Please indicate area of candidate expertise that matches needs of Special Olympics Iowa. Consideration to geographic location, diversity and gender will be made.
